**School Lands at Your Own Price.**  
 As soon after the first of July as practicable I will hold public auctions for leasing about 695,000 acres of school land, under provisions of the new law, in the following counties: Antelope, Banner, Blaine, Box Butte, Brown, Chase, Cherry, Cheyenne, Custer, Dawes, Deuel, Dundy, Garfield, Grant, Hayes, Hitchcock, Holt, Hooker, Keith, Keya Paha, Kimball, Knox, Lincoln, Logan, Loup, McPherson, Pierce, Per- siana, Rock, Scotts Bluff, Sheridan, Sioux, Thomas and Wheeler. Under the new law, if these lands will not lease at public auction at 6 per cent upon the appraised value, they may be leased to the person offering 6 per cent upon the highest valuation. These lands are in the best stock growing portions of the state where cattle, sheep and horses can be produced at less expense and, therefore, at greater profit than anywhere I know of; and yet, surrounded with as good and intelligent a class of citizens as anywhere to be found. The harvest truly is great and lasts almost the year round and no more inviting field for the intelli- gent stockman and farmer can be found; and now, that there is an opportunity to secure twenty-five year lease contracts thereon at what the lands are worth, the lessee himself being the judge, it is confidently expected that all or nearly all of these lands will be leased during the present year at the public auctions, as above men- tioned. Any one desiring to attend any of these leasing auctions will be notified of the time and place of hold- ing the same, as soon as it has been arranged, if they will write me at once giving the names of the counties in which they are interested; and will also be furnished a list of lands to be leased so that they may visit the coun- ties in advance of the leasing auction and examine the lands which will be offered. Notice of the auction will be duly given in the local papers. Send stamp for copy of the new school land law under which the lands will be offered. Any further information will be cheerfully furnished.

 "We began giving the pills at once, and the next day we could see a change for the better in her. We gave her one pill after each meal until she was entirely well. She has not been sick a day since. We think the cure almost miraculous."
