

It is noted as a curious fact that the majority of the Japanese students who come to America to study political economy go to Ann Arbor to seek instruction under Professor Adams. This preference is due to the influence of Count Ono, now chief inspector of the Bank of Japan, who studied at the University of Michigan under Professor Adams and who is spreading the professor's reputation abroad throughout the Japanese islands.

You can pick out fools by their questions and wise men by their answers.

It is pretty hard for some men to live up to their opportunities and within their income at the same time.—Kansas City Star.

On September 9 next people will date their letters—not all people, but a large number—9-9-99. How long will it be before a similar collection of numbers occurs, and how often will it occur in the twentieth century? asks the London Chronicle.

The nurse on duty in a certain London hospital was giving the little ones their last meal for the day. All save one was patiently waiting their turn to be served, the one in question being a little rosy cheeked convalescent, who was calling lustily for her portion. "Aren't you just a little impatient, Dorothy?" inquired the kindly nurse, with just a little tinge of correction in her tone. "No, I'm not!" retorted Dorothy, promptly, "I'm a little sne patient!"

**Even From Louisiana.**  
Last week a Louisiana catalogue reader sent for a suit of clothes to Hayden Bros., The Big Store, Omaha. The growth of the catalogue business is something remarkable and Hayden Bros. are today its foremost exemplars. They distribute thousands upon thousands of free catalogues each season and are besides liberal patrons of newspapers. But the chief reason of their success seems to be the confidence the people have in them. "Haydens will treat you right," is a western axiom. They are invading the territory of the eastern merchants and their low prices admit of no competition whatever in the Trans-Mississippi country.

**A Happy Mother's Gratitude**

[LETTER TO MRS. PINKHAM NO. 26,785]  
"DEAR MRS. PINKHAM—I have many, many thanks to give you for what your Vegetable Compound has done for me. After first confinement I was sick for nine years with prolapsus of the womb, had pain in left side, in small of back, a great deal of headache, palpitation of heart and leucorrhoea. I felt so weak and tired that I could not do my work. I became pregnant again and took your Compound all through, and now have a sweet baby girl. I never before had such an easy time during labor, and I feel it was due to Lydia E. Pinkham's Vegetable Compound. I am now able to do my work and feel better than I have for years. I cannot thank you enough."—MRS. ED. ELLINGER, DEVINE, TEX.

**Wonderfully Strengthened.**  
"I have been taking Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills and feel wonderfully strengthened. Before using your remedies I was in a terrible state; felt like fainting every little while. I thought I must surely die. But now, thanks to your remedies, those feelings are all gone."—MRS.
