Had management keeps more people in poor circumstances than any other cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in his house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides, one pays out 25 cts., the other is out a hundred dollars and then wonders why his neighbors is getting richer while he is getting poorer For sale by Odenahl Bros.

Fortunately, a friend advised trying 'Electric Bitters' and to my great joy and surprise the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50c guaranteed, at Odenahl Bros' Drug Store.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. He has been in the drug business at Elkton, Ky, for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best.
