SMITH-TITUS.

Somewhat Romantic Wedding of a Well Known Keene, Woman.

Mr. Moses Henry Smith, of Loup City, Neb., and Mrs. Harriette M. Titus, of this city, were married at noon today in Westminster, Vt., by Rev. Gabriel H. De Boite, formerly pastor of the Second Congregational church of this city. The wedding was a quiet affair. The couple will visit friends in Massachusetts and New York state, arriving at their home in Loup City, about October 1st.

The groom is a widower and the bride a widow. Considerable romanticism is connected with their union, which is a renewal of a youthful school comradeship and attachment.

Mr. Smith is a native of Alstead, and was for many years connected with railroad mechanical matters in this vicinity, having made the first oil cup for a locomotive, which Aaron Richardson of the Cheshire R. R. had patented. For some years he was employed in the railroad shops in Belknap Falls, and afterwards by the C. B. & Q. R. R. in the West, following for many years the profession of a mechanical engineer. Mr. Smith's mother was Bia Hale, own cousin to Selma Hale, one of the most prominent of the early citizens of this place and author of The Annals of Keene. He is now a prosperous real estate dealer and ranch owner, and a man of prominence in local and political affairs.

Mrs. Smith was born Harriette M. Angier, and is a native of the town of Walpole. Her first husband was at one time proprietor of the Cheshire House here. She has been a widow for many years, having resided at the house of her nephew, Abbott A. Lane. She was an attendant of the First Congregational church and a member of the Y. M. C. A. Ladies' auxiliary, and has been one of the most active and efficient workers in Keene, for many years in religious and allied causes, and will be greatly missed by a large circle of friends.

The large array of exceptionally handsome wedding presents including a beautiful silver service, out glass ware, sterling silver spoons, dinner and tea knives and forks, money, checks and handwork articles. The Ladies auxiliary presented her with a handsome decorated leaflet containing the names of all the members, together with a dozen sterling silver tea spoons and a number of solid silver desert and table spoons—Keene, (N. H.) Evening Sentinel.

FUNERAL OF CORPORAL NEPTUNE.

Frank Neptune, aged 25 years, late corporal of Company H, First Colorado Volunteer infantry, died August 22, 1899, of typhoid fever at the Presidio, California.

Funeral services were held in this city today (Sept. 2). The funeral cortege left the family residence on East Seventh street shortly after 2 o'clock and proceeded to the Christian church on West Third street. Col. Harrison's band, led by Major Tracy, headed the cortege and was followed by the old veterans of Lyon Post, G. A. R., the Grand Island High School cadets. Next came a firing squad composed of service men of the Spanish war under command of Captain Roeder. Lieutenant Ferry and soldier pall bearers accompanied the hearse. The casket was covered with an American flag. Carriages containing relatives and numbers of friends completed the train. Flags on all buildings were at half-mast as a mark of respect to the memory of the deceased.

The auditorium of the church was completely filled when the services were begun. After a hymn by the choir and prayer, the pastor, Rev. Z. O. Doward, delivered an impressive sermon. At the conclusion of the services, the remains were escorted to their last resting place in the city cemetery and were given a military burial. The firing squad fired three volleys and the "taps" was solemnly blown over the grave.

Frank Neptune needs no obituary—his life is its own commendation. A paragraph from the Denver Republican shows the esteem in which he was held by his comrades-in-arms. "There is genuine grief in the heart of every man in the regiment who enjoyed the pleasure of knowing Neptune personally. The members of his company will show their respect for their late comrade by providing elegant floral designs for his funeral."—G. I. Rep.

Not the Wisest Way. It is not always best to wait until it is needed before buying a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Quite frequently the remedy is required in the very busiest season or in the night and much inconvenience and suffering must be borne before it can be obtained. It costs but a trifle as compared with its real worth and every family can well afford to keep it in their home. It is everywhere acknowledged to be the most successful medicine in the world for bowel complaints. For sale by Odendahl Bros.

Good Enough to Take. The finest quality of loaf sugar is used in the manufacture of Chamberlain's Cough Remedy and the roots used in its preparation give it a flavor similar to that of maple syrup, making it very pleasant to take.
