"The progressive peoples party" is the new name selected by the Middle of the Roaders This re-Weshington.

The curions part of Mr. Bryans as nominated is: career is the fact that it matters not how often he points out the only road to prosperity and just the oppossile proves to be the case. Still the pops and demo-pops never loose faith in him as a prophet.

Our English cousins on the north came back at us the other day in a practical way by sealing a message of sympathy to the Philipino insurgents, all to remind us that this symputhy business was a game that two could play at. But then our cousin Presidential electors: Jacks should remember that the fellows that dispatched the messenger boy with words of condolance to Kruger would gladly stills their names to their Philipino message of sympathy. So it would seem that John Bull has hatr brained subjects J. L. Kennedy, of Douglas. as well as Uncle Sam.
