Urges Filipinos Not to Surrender at In-

stigation of Commission. MANILA, May 19 .- A proclamation purporting to have been issued by Aguinaldo and dated May 4, from Pilillo island, one of the Philippine group east of Luzon, is circulating in Manila. It says the commission appointed by President McKinley was appointed without the authorization of congress and that hence it cannot treat officially. It urges the Filipinos not to surrender their arms at the instigation of the commission and on promises which congress may not ratify, and also urges the Filipinos to enthusiastically welcome the commission when it arrives in the towns and provinces, asking boldly for the form of government they most desire, as the Americans permit of freedom of speech.

The proclamation closes with asking the Filipinos to strive for liberty and independence, and again warns the commission against deception.

He Gives Up Nearly Five Thousand Neely

Had Placed With Him. HAVANA, May 21.-W. H. Reeves, deputy auditor of the island, made a of EACH MONTH. All information at confession at midnight an. gave up CITY TICKET OFFICE, No. 1415 Far-\$4,500 given to him by C. F. W. Neely, nam Street (PAXTON HOTEL BLK.) the arrested financial agent of posts at | or write, Havana, to perform certain services the day he left.

General Wood and the postal inspectors refuse to disclose the nature of the confession, barely admitting that room. a confession has been made. It is claimed that \$1,400 more will

be recovered today. Another charge against Neelev is that he has defrauded the customs out of several thousand dollars' worth of duties by importing nominally for postal use large quantities of paper, which was afterward sold to a printing house in Havana.

The Cubans are now talking a good deal regarding postal matters, the main idea apparently being that the Americans, having found so many of their countrymen implicated, will not proceed to extremities. The Cupans do not believe that Neeley will be extradicted. With the confessions of Reeves and Rich, supplemented by those of the stamp clerks, and by the statements of the Baracoa postmaster, it is con-

sidered that the evidence against Neeley is complete. General Wood says that the report from Muncie, Ind., that nearly \$2,000 .-000 worth of stamps have been printed there and sent for distribution to Cuban postoffices can be regarded as a canard. There is nothing here to show that any such counterfeit stamps have been sent. It is believed now that the whole story is known and that the amount of the defalcation will fall between \$100,000 and \$125,000.

Hood's Sarsaparilla restores to the stomach its powers of digestion. Then appetite is natural and healthy. Then dyspepsia is gone, and strength, elas-

ticity and endurance return. Stomach Trouble-" My mother had a very bad stomach trouble. She weighed only 111 pounds. After taking four bottles of Hood's Sarsaparilla she weighed 136 pounds. She took it again after the grip and one bottle got her up." Miss Otie. McCoy, 528 Lafayette Ave., Lebanon, Ind.
