## MSERABLIE <br> You're not feeling just right this spring are you? Somehow, you haven't your old-time strength, cannot take hold of things with your usual push and energy. You just drag around, fairly well one day, not so well the next. You are wretched, disconsolate, discouraged; you are miserable. <br> That's <br> Nerve Poverty <br> To be rich in nerve power you should take a good spring medicine, something that will give you pure and rich blood. A perfect Sarsaparilla will do this every time; not a cheap Sarsaparilla, not one that promises you a great deal of bulk for your money; but a highly concentrated Sarsaparilla, one that has more cure in it than any other Sarsaparilla in the world. <br> That's AYER'S <br> The only Sarsaparila made under the personal supervision of three graduates gradvale in pharmacy, a graduate in chemistry, and a graduate in medicine.s.
