Mother Tells How She Saved Her Little Daughters Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thaught she would die. I tried eveaything I could think of, but nothing seemed to do her any good. 1 saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoe Remedy was highly recommended and sent and got a bottle at once. It pr ved to be one of the very best medicines we ever had in the house. It saved my little daughters life. I am anxious for every mother to know what an excellant medicine it is.
