MARRIED. RENTFROW—ZINK—At the home of James Rentfrow, father of the groom, near Austin, Sherman county Nebraska, Mr. Alonzo Rentfrow and Miss Ethel Zink, both of this city, were united in marriage at high noon on Sunday August, 11 1901. The two young people were born and raised in this community. They will go to housekeeping in the residence of the brides mother in this city in the near future. It is the wish of their many friends that they enjoy a long and happy wedded life. The ceremony was performed by Judge Hunter in the presence of the immediate families of the contracting parties. YOUNG—RENTFROW—At the home of the brides parents in St. Paul, Nebr., on Sunday August, 11 1901, Mr. Robert Young of Loup City, Neb., and Miss Ethel Rentfrow of St. Paul, Nebr., were joined in holy wedlock, Rev. Funk, of the First Baptist church officiating. Mr. Young has lived in this place all his life, he is an industrious, model young man. His fair companion is a native of Missouri and came to Loup City, from that state some three years ago, subsequently moving to St. Paul, Miss Henryetta Young, and Mr. Ernie Rentfrow of this city were present at the wedding. A hoof struck on either side of the little fellows chest and hurt him quite badly but no bones were broken. The fats and the leans battled for supremacy upon the diamond in this city Monday, and victory perched upon the pennant of the slims. It was a battle royal but the wind of the lean man had to much staying qualities for his corpulent brother. The first man to bat was R. L. Arthur, and when his jumbo frame inclined forward to meet the pig skin that little sphere took an angle to ward Jupiter and landed three blocks to windward. Judge Wall fanned the atmosphere equal to Arthur but the ball always eluded his aim and the umpire cried three strikes and out. S. F. Reynolds grabbed the wrong end of the cleaver and missed the beef stake also, while Dar Grow swiped the counter with a yard of calico and made a home run. Mike Mullick fired up his mogul till the boiler expanded three fold but got side tracked the second trip, while John Travis buckled his wind and failed to score. The leans took a turn at the pole and kept the ball skimming through the air to such an extent that they doubled the score of their corpulent opponents which had a depressing effect upon their ambition and "the blow almost killed father." Judge Hunter made several nervous twitches with the bat and struck after the ball was three paces to the rear, but when Will Mason and Frank Brewer made a pass it was out of sight in a jiffy. Frank Dennis pulled up on the wrong rein while Art Eisner doubled on the scent and went out on first. The score, so the butcher said, stood 80 to 120 and the fight was given to the leans on a foul. The laws of health require that the bowels move once each day and one of the penalties for violating this law is piles. Keep your bowels regular by taking a dose of Chamberlain's Stomach and Liver Tablets when necessary and you will never have that severe punishment inflicted upon you. Price 25 cents, at Odendahl Bros. The barn of J. A. Converse, in Webster township, three miles west of Loup City, together with a horse, some harness and other articles belonging to Carl Deitz who lives on the place, was totally destroyed by fire last Sunday evening. The barn was a frame structure 16x36 with granary and corn crib with a drive way through the center joined onto it. Mr. Converse estimates his loss at \$800 and that of his tenant at about \$200. The origin of the fire is not known. Mr. Converse says the only possible theory comes from the fact that Mr. Deitz had been away from home and when he returned he got his lantern and lit it, using it to put his horse away. While he noticed nothing wrong at the time yet in a few moments after, upon going out of the house he discovered the barn in flames. Don't be satisfied with temporary relief from indigestion. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so he discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux.
