Get your ground in good shape by plowing and harrowing well and sow between the 15, and 25, of Sept. and you will be pretty sure of a good crop. Mrs. W. D. French met with a thrilling experience one evening last week which frightened her almost to the point of entire collapse. She entered the pantry and tramped upon a large snake, which had worked its way up through a hole in the floor. It was a bull snake which proved to be 3 feet and 8 inches long and when she tramped upon it it coiled around her ankle. Twenty years ago W. H. Kennedy "Our Bill" taught school in Dist. 13, known as the Angier district. At the expiration of his term his scholars each pieced a square of a patch work quilt and made him a gift of remembrance of it. Mr. Kennedy being a bachelor he left them with Grandma Waite, who carefully preserved them for him all those years, and a short time ago made the proposition to the Circle, the ladies auxiliary of the Grand Army, of which, Mr. Kennedy is a member, that they set the squares together and quilt them and return them to him. Last Saturday was the day set for the presentation, and at the close of their meeting Mr. Kennedy was called to the hall and after appropriate remarks by Mrs. Hunter, he, completely non-plussed gratefully accepted their token of friendship in a few well directed remarks of appreciation. The names of the donors of the patch work, who were then his scholars, were written upon each square and were as follows: John Hancock, Haney Criss, Stella Sloan, Willie Sloan, Lulu Raymond, Nellie Angier, Ella Hancock, Carrie Angier, Lillie Criss, Daisy Criss, Frank Sloan, Edwin Angier, Wm. Hancock, Effie Hancock, Olie Criss, Christy Riedel, Mattie Raymond, Maggie Riedel, Emma Riedel, Ella Angier, Fred Riedel, and Amy Warren. We desire to add that fortune has generally smiled upon this school, and after 20 years, if our memory serves us right, there are but two dead, Miss Ella Angier, who died at a hospital in New Orleans, while undergoing a surgical operation and who was at that time the wife of H. H. Pettitt, and Willie Sloan who died a few years ago at Omaha, Miss Frank Sloan, now the wife of L. G. Fisher, and who is now in the asylum at Lincoln. The following parties not members of the Circle assisted in completing the quilt. Mrs. Emma Rettenmayer, who was Emma Riedel as a donor of a square, Mrs. J. E. Nicolson, Mrs. E. C. Vanscoy and Miss Kate Petersen.

A Minister's Good Work. "I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it the best medicine I have ever tried." For sale by Odendahl Bros.

A WORTHY SUCCESSOR. "Something New Under The Sun." All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFELS" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full months treatment and everything necessary to its perfect use. "SNUFFELS" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD IN THE HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFELS" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of SNUFFELS the "GUARANTEED CATARRH CURE."
