J. P. A. Black, of Bloomington seems to have a good following in his race for the nomination for Governor. Quite a large number of republican papers throughout the state are sounding his praise. Mr. Black was a delegate to the national republican convention in 1896.

There was a very good attendance at the Republican Congressional Convention meeting at Grand Island yesterday. Out of the 33 committees for the sixth district 27 were present. The date and place of holding the next congressional convention for the sixth district is to be held at Shadron, Neb. June 7th. Sherman county will be entitled to 7 delegates.

There are men in this world, says an exchange, who claim to be republicans and will give all their patronage to a pop paper and then by and by they have the gaul to want something and if their own party paper don't volunteer to bring out the names of such aspirants they will even get a pop paper to throw out a few hints. Don't worry my brother, such men are of small caliber when it comes to state politics. We have such men, not only in the world, but in every party and when they aspire for public position, every party paper in the state should and will stand firmly together in meeting out to them just deserts. No such leaky old ship should receive the support of any one and a candidate who is not loyal enough to give his party paper at least the major share of his support could not be trusted to guide his party right. He will be a back number as soon as he trots himself out.

The Record has said about all the mean things it can about Governor Savage and is now turning its attention to the support of other candidates. If there is such a thing as over-doing anything we are quite convinced that Mr. Harrison has done it, not that we believe that Governor Savage is the proper candidate to select at this time, but that we do not think that one man is altogether to blame for the act of a pack of jealous politicians who have been hounding him ever since he took the chair. Don't worry, the republican party is not likely to nominate Mr. Savage unless you, by your method of ill treatment, create enough sympathy to do the business. If you want to do a good job of weeding you should begin at the end of the row. In this case it would be necessary to begin with those jealous fellows who first created the discord at the republican state convention last year about the Bartley parole. It is quite possible that but for that disgraceful powder over a mere sixty days parole Bartley would now be behind the bars. There is no question but what the governor's motive was good at that time and he should have sat down on that convention so hard that the thud could have been heard all over the state, but he didn't and that's what the matter with Savage.

Link Scriber and John Scriber, two saloon keepers of Sargent were arrested and taken to Broken Bow for a hearing which resulted in their being bound over to the district court. Link was tried last week and John was tried a few days ago. Judge Wall of this city was one of the attorneys for the defense, but the array of evidence against them was so strong that the court was convinced they were guilty, and placed them under bonds. The following giving an account of the Scriber case is taken from the Broken Bow Republican.

The trial of Scriber of Sargent, on the charge of keeping a gambling place in connection with his saloon, which was had Tuesday and Wednesday of this week before Judge Armour,

developed that the vicinity of Sargent has a large number of men who could not testify to what they saw going on in the basement of the saloon, which is carpeted, lighted, and furnished with tables, chairs and cards, without incriminating themselves. The greater of the thirty witnesses could tell nothing about what they did in that basement without self incrimination. This would imply that they were engaged in gambling. Only about three of the number daring to testify to poker chips and money being used for betting on the games. Less than half the witnesses called, who acknowledged being in the cellar, would commit themselves on gambling devices being kept there. Had they been as thoughtful about disgracing themselves and families before they went into the joint as they seemed on the witness stand; they would not have been associated with it, and would not have been under the necessity of appearing in court, claiming protection from incriminating themselves.

Many readers of this paper visit Omaha more or less frequently. They are naturally interested in the hotels of Nebraska's metropolis. It will be of much interest to the to know that the Millard, Omaha's leading hotel, which has been in the hands of the decorators, furnishers, carpenters, etc., for some weeks past, at an expense of several thousand dollars, is a finer hotel today than it ever was before. Its location is the most central of any in the heart of the banking, wholesale and retail districts. Every street car from every depot in Omaha passes the hotel, or runs conveniently near to it. It is the only strictly first-class hotel in Omaha where the rate on the American plan is as low as \$2.00 per day. Of course, if you want a very select room, or room with bath, the rate is higher; but no matter what the rate may be, the menu, cuisine and general high-grade service throughout the hotel, are uniformly alike for every guest. Those who prefer the European plan can stop at the Millard for \$1.00 and up per day, and for these guests a cafe at reasonable prices is open, adjoining the large dining room. You can have all the Millard's first class advantages for the same price you would pay at a second-rate Omaha hotel. Therefore, why not go for the best when you are about it? Take our advice and stop at the Millard the next time you visit Omaha. The same advice applies to The Lincoln at Lincoln. It is conveniently situated opposite the depots and Post Offices, and is the only first-class hotel in Nebraska's Capital City. The rates there are \$2.00 and up per day.

ARE YOU DEAF? ANY HEAD NOISES? ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 750 S. Broadway, Baltimore, Md. Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 598 LA SALLE AVE., CHICAGO, ILL.
