**WEDDING ANNIVERSARY.**  
The fortieth anniversary of the wedding day of Mr. and Mrs. J. A. Angier, was celebrated at their home in Loup City the evening of the 21st of May, at which time, the members of Oriental Chapter No. 78 O. E. S. and some special friends, joined with the judge and his good lady in celebrating that important event, Mr. Angier and Miss Olive H. Smith were married at Dixon Ills., the 21st day of May 1863, and move to Sherman county the first day of April 1878, and have resided here ever since. They were the recipients of a number of valuable presents, among which was a beautiful set of China dishes by the O. E. S. of which the judge and his wife have been members since 1876. A very enjoyable time was had by all present. Mr. and Mrs. Angier are good entertainers, both at home and in public, and at all times willing to assist in social affairs.

Owing to the fact that the judge has been abusing his wife somewhat in having her do the washing, cooking, and washing of the dishes, the presents were mostly intended for Mrs. Angier. Just before the opening of the next day, refreshments were served, after which the guests wended their way to their respective homes, wishing the judge and his better half many happy days.

**His Last Hope Realized.**  
[From the Sentinel, Gebo, Mont.]  
In the first opening of Oklahoma to settlers in 1890, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterward his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors bought his one small bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The reason for bowel disorders being at hand suggests this item.—For sale by Odendahl Bros.
