Mrs. Carl Deisterhoff, living on the Geo. Ware farm, in Logan township has misteriously disappeared and cannot be found. While her husband was away from home last Saturday she left home and has not been seen or heard of since and it is feared that some terrible accident has befallen her. The husband, after searching for her Sunday, came to town and reported the case to the county attorney, and a party was at once formed and a further search instituted. For several months past Mrs. Deisterhoff has, at times become mentally unbalanced and it may be that she has simply wandered away and may finally be located.

**Death.**

Mrs. Outhouse, mother of A. B. and C. C. Outhouse, died at the home of her son C. C. Outhouse in this city early last Sunday morning, August 23d., 1903 of cancer of the stomach. She had been in very poor health for several months past and for some three or four weeks it was quite evident that she could not recover. The best of medical attendance was secured and all that hands could do was done to alleviate her suffering. The funeral services were held at the house Monday and the remains, accompanied by A. B. Outhouse, were taken to her old home at Carlyle, Ill. for burial. Mrs. Outhouse was 68 years old at the time of her death. After breaking down in health some two years ago she came to Loup City to live with her sons and her kind disposition and gentle manner had won the hearts of all who made her acquaintance. The sorrow stricken relatives have the sympathy of all our citizens.

Mr. Geo. Finch, of Davis Creek, son-in-law of Mrs. G. H. Scott of this city died at his home in Valley county on Thursday, August 20th., 1903, of rheumatism of the heart. Mr. Finch is a well known citizen to many of the old settlers of Sherman county. We have no particulars of his death other than it is thought that it was over hard work which caused the rheumatism to go to the heart. Mrs. Scott and his brother and sister-in-law, Mr. and Mrs. William Sharp, drove over from here Friday to attend the funeral which took place at the Finch home Friday, August 21st.

We hoped to be able to get a short biographical sketch of each of the republican nominees for this weeks issue, but we doubtless will be able to get them in the near future.
