SIX MASKED MEN

ROB THE DEPOT AT M'FARLAND, KANSAS.

STATION IS QUICKLY LOOTED

Railroad Men Are Soon Subdued—Passengers at Lunch Counter Rush to an Ustairs Room and Save Themselves by Blocking Entrance.

M'FARLAND, Kan.—At 1 o'clock Friday morning six masked men, heavily armed, appeared at the Rock Island depot and started to enter the office door.

Conductor Monnehan of freight train No. 48, which had just pulled in, and Night Baggageman Charles Toler saw them and hurriedly attempted to block the door, but the robbers forced an entrance and, after taking their money and watches, beat the railroad men into insensibility.

They then rifled the depot of its contents and going hurried to the eating house, held up and took all the valuables from half a dozen men on the platform, employed at the round house, and a part of the train crew. Passengers at the lunch counter scurried upstairs and blocked the entrance effectively. The bandits then looted the eating house cash register and silverware, doing their work in a cool and collected fashion, after the manner of veterans.

Then, apparently as a joke, they marched and carried six of the Rock Island employes, including the night hostler and Baggageman Toler, and locked them in a refrigerator car and disappeared in an easterly direction. During the thirty minutes of their presence not a shot was fired and only Monnehan and Toler were injured.

Two hours after the robbers disappeared Sheriff Fry had organized a posse, released the prisoners from the refrigerator car and galloped in pursuit. The bandits were headed toward Topeka.

The bandits secured eight watches and probably \$150 in money. They left McFarland on foot. The night agent at Paxico, four miles east of McFarland, saw them pass by along the tracks on foot at 2:30 o'clock.

At 1 o'clock Friday afternoon there is a report from Paxico that Sheriff Fry and Chief Custy of the Rock Island detective force, aided by four county deputies, have the robbers located in a patch of timber near Paxico.

Advices from Paxico at 2:30 show that the bandits eluded the posse in pursuit and passed on through the thick brush.

Cleveland's Baby Boy.

NEW YORK.—The baby boy recently born to Mrs. Grover Cleveland at Buzzards Bay, Mass., has been christened Francis Grover Cleveland, a name selected by the other children.

DEMOCRATS AND POPULISTS.

The Respective Conventions Unite on the Same Ticket.

Supreme Court Justice..... J. J. Sullivan
University Regents.....
W. A. JONES, DR. E. G. WEBER

GRAND ISLAND.—The populists in state convention here put in nomination the above ticket. It referred to next year's convention a resolution endorsing the Denver manifesto.

After nominating Judge Sullivan of Columbus for supreme court justice, there was discussion of the question of notifying the democratic convention at Columbus of what had been done. Following this the convention nominated by acclamation two candidates for regents—Prof. William A. Jones of Hastings and Dr. E. O. Weber of Valparaiso.

The resolutions adopted declared national issues are not involved in this campaign.

The Democrats.

Supreme Court Justice..... J. J. Sullivan
University Regents.....
W. A. JONES, DR. E. O. WEBER

COLUMBUS.—The democratic state convention was late in assembling, and as it gathered news had been received of the action of the populist convention in Grand Island in making nominations. P. L. Hall announced the fact in calling the convention to order.

H. W. Risley of Grand Island was named for secretary. The delegations were accepted as reported and the temporary organization was made permanent.

W. I. Apfen of Schuyler placed Judge Sullivan in nomination for supreme judge and it carried by acclamation. The nomination of Jones of Adams and Weber of Saunders for regents was made by a rising vote. In accepting his nomination Judge Sullivan modestly denied the possession of any special qualifications, except independence. He went on the bench a free man and promised so to remain.

The resolution committee reported a platform. It reaffirmed the platform of the Kansas City convention in the fewest words possible and condemned the asset currency plan and further legislation along the line of the Aldrich bill.

FREIGHT DEPOT DESTROYED.

Rock Island Sustains Big Loss at Chicago.

CHICAGO, Ill.—At midnight Thursday fire started in the freight house of the Chicago, Rock Island & Pacific railroad, situated at Polk and Sherman streets. The flames had secured quite a start when discovered, and by the time the first engine arrived, the building, which is 250 feet long and two stories high, was a mass of flames. The firemen from the first had no hope of saving the structure or its contents.

The loss was primarily on outgoing freight and is estimated at \$500,000.

OUR SHIPS MOVE

VESSELS UNDER WAY FOR TURKISH WATERS.

NOTHING LATE FROM BEYROOT

Reports Not Confirmed Are That Minister Leishman Has Requested the United States to Recall the European Squadron from Turkish Waters.

WASHINGTON.—Other than the advices from Admiral Cotton announcing his departure with the cruisers Brooklyn and San Francisco for Beyroot, there were no developments in the Turkish situation so far as Washington is concerned. No additional information came from United States Minister Leishman, Secretary Hay saying he had not heard from our minister to Turkey Saturday.

The orders to Admiral Cotton to proceed to Beyroot will not be canceled, it is authoritatively stated, unless the president so directs. Such an order at this time, however, apparently would not avail anything, as the admiral is now on his way to Turkey.

The Associated Press interview with Chekib Bey, the Turkish minister, at his summer home at Sayville, L. I., was a topic of almost general discussion in official circles. That the minister is manifestly perturbed over the situation of affairs in Turkey is fully realized here.

His uneasiness over the presence of an American fleet in Turkish waters, lest it be taken by the revolutionists as an evidence of the American government's sympathy with their cause, it is thought, will not be a strong enough reason for its withdrawal. The administration regards it as a sacred duty to see that adequate and prompt assistance and protection should be given American interests in the disturbed districts and for this reason feels justified in having the warships sent to Turkey.

Contrary to expectation, Chekib Bey had not arrived in Washington up to 9 o'clock Sunday night and inquiry at the leading hotels failed to disclose that he had telegraphed that he was coming. A number of dispatches are awaiting his arrival here. Presumably some of the dispatches are from Constantinople and Secretary Hay will grant the minister an audience if he comes to the city.

With the departure of the cruisers Brooklyn and San Francisco for Beyroot, as announced by Admiral Cotton to the navy department, the entire European squadron is now on its way to the Turkish seaport.

CONSTANTINOPLE.—Since the representations made by United States Minister Leishman, regarding the attempt on the life of Vice Consul Nagelssen, the authorities at Beyroot are displaying a marked activity in their efforts to find the culprit.

REVERSE FOR REBELS.

Severely Defeated in Engagement Where 1,000 Men Are Killed.

SALONICA.—The Bulgarian insurgents sustained a severe reverse at Smilovo Friday, 1,000 of them being killed. The insurgents to the number of 3,000 occupied a position on a height, which was stormed by six battalions of Turkish troops commanded by Servet Pasha. After losing 1,000 of their number the Bulgarians fled in the face of the heavy Turkish artillery fire. The Turkish losses were insignificant.

SOFIA, Bulgaria.—Dispatches received from Constantinople, Salonica, Monastir and Adrianople reveal an equally unsatisfactory condition of affairs in Macedonia. From Salonica came reports of new uprisings. At Monastir the insurgents are said to be masters of the situation. Telegrams from Adrianople declare that the insurgent bands are continuing their ravages.

Vesuvius is Still Busy.

ROME.—The eruption of Vesuvius continues in all its grandeur, but without apparent danger to the neighborhood. Hundreds of the people remain up all night long to witness the spectacle.

An Iowan Killed by Train.

ALBUQUERQUE, N. M.—R. W. Hos, tetter of Cedar Rapids, Ia., was run down and killed by a train at Cerrillos, N. M., Sunday.

RELIANCE COMES IN FIRST.

Winner Fails to Cover Course Inside of the Time Limit.

Start. Turn. Finish
Reliance ... 11:02 1:55:10 4:38:45
Shamrock III 11:02 2:07:40 *

NEW YORK.—With Reliance less than a third of a mile from the finish and Shamrock III hull-down on the horizon, fully two miles astern of the gallant defender, the fourth race of the present series for the America's cup Thursday was declared off because of the expiration of the time limit of five and one-half hours, as happened on Thursday last. Although officially it was no race, the defeat administered to the challenger was so ignominious that whatever lingering hope remained in the breasts of the friends of Sir Thomas' boat vanished. Reliance's victory was in every way more decisive than that of last Saturday. Shamrock was out-sailed, outpointed and outfooted from start to finish.

Reliance beat Shamrock hopelessly in the work fifteen miles to windward, rounding the outer mark twelve minutes and thirty seconds ahead of it, a gain in actual time of eleven minutes and twenty-nine seconds. Down the wind it steadily increased its lead. The real interest of the day was not against Shamrock, but was in the exciting struggle of Reliance in the last half hour to reach the finish line before the regatta committee fired the gun which should announce the expiration of the time limit.

*Did not finish.

TURKS SLAY WOMEN.

Wholesale Massacre Reported from Twenty Villages.

SALONICA, European Turkey.—An insurgent movement is afoot in the vilayet of Salonica. It is feared that it threatens Voden, forty-five miles from here, Salonica and other towns. Well informed persons here share in the general disquietude. Large bands are reported to have been organized by Bulgarians, who, it is expected, at a given signal, will resort to general incendiarism. The Turkish population is resolved, should great disturbances occur, to exterminate all the Bulgarians in this city. Consequently, a number of Bulgarian residents are leaving Salonica.

VIENNA.—The Neue Freie Presse's Constantinople correspondent telegraphs that a band of Bulgarians has attacked the Turkish town of Urgas, south of Inlada, on the east coast of Turkey, and has blown up the government buildings with dynamite. It is reported that 200 persons were killed.

FAVORS A NEBRASKA IDEA.

Judge Talks on Lynchings and the Crime Which Causes Them.

MYSTIC, Conn.—Hezekiah Butterworth of Boston made the opening address at the Universal Peace union's sessions Friday. His topic dealt with the effect upon the world of the opening of the pan-American canal. He said that the canal would wed two oceans and make all mankind one family.

Supreme Justice Charles B. Lore of Delaware, who at the time of the lynching at Wilmington, Del., denounced such practices, made an address. He recommended the Falls City method of dealing with criminal assault. Alfred H. Love of Philadelphia, president of the Universal Peace Union, and Henry W. Wilbur, of New York, editor of the Defender, also gave addresses.

The objective and aims of the Straight Edge Co-operative Industries were explained by their organizer, Wilbur F. Copeland of New York.

CAUSES AN EXTRA SESSION.

Salvador is to Deal with a Claim Against Her.

SAN SALVADOR.—Congress will hold extraordinary sessions to deal with the payment of the Burrell claim in accordance with the last agreement arrived at in Washington through the efforts of Senor Lopez, Salvadorean minister to the United States.

Alfred H. Burrell brought an action against the republic of Salvador because of the government's treatment of the Triunfo company. The court of arbitration, sitting in Washington in May last year, awarded Mr. Burrell \$448,000 damages in gold. The Salvadorean government refused to make payment and efforts were then made to arrange another settlement.

UNSUCCESSFUL ATTEMPT WAS MADE TO KILL HIM.

Minister Leishman Explains How Error Came to Be Made—Correction Relieves the Tension—Washington Officials Now Think Diplomacy Will Be Successful.

WASHINGTON.—A decidedly new turn in the case of United States Vice Consul William Magelssen at Beyroot, Syria, who was reported to have been assassinated last Sunday, developed Friday night when it became known that the report was incorrect and that, although Mr. Magelssen had been shot at, he had not been injured. This report came to the State department in a dispatch from United States Minister Leishman at Constantinople, who said the mistake in making the original announcement was due to a mistake in translating the cipher message to the minister. The dispatch from Mr. Leishman followed closely on the same subject which had been shown to the prominent officials of the government. The dispatch of the minister was communicated to the president at once at Oyster Bay, but up to a late hour nothing had been heard from him on the subject at the State department.

Its contents were extremely gratifying to the officials of the government here, as it relieved the situation of its extreme tension and leaves the way open for an amicable and peaceful adjustment of the incident. Whether or not orders will be given calling off the proposed cruise of the European squadron to Turkish waters is a matter for future determination.

Acting Secretary Loomis declined to make public the text of Minister Leishman's dispatch tonight, but he gave a summary of its contents.

As stated in the press dispatch it showed that Mr. Magelssen had been shot at by some person at the time unknown to the officials, but that he had not been hit. The local Turkish officials were prompt to express their regret at the occurrence and were exerting themselves to apprehend the assassin, but thus far had been unsuccessful.

The minister's dispatch also said that Consul Ravendal had reported to him that some of the consuls located at Beyroot had reported to their government that the situation at that place had become exceedingly unsafe; that this condition of affairs had existed for some time and that something ought to be done to relieve the tension. The opinion was expressed that the attempted assassination of Mr. Magelssen would probably bring matters to a focus and some effort be made to avoid further trouble.

PRESIDENT IS GRATIFIED.

Thankful That Consul Magelssen Escaped.

OYSTER BAY.—President Roosevelt was notified Friday night by a representative of the Associated Press of the incorrectness of the report that Vice Consul William C. Magelssen at Beyroot, Syria, had been assassinated.

The president expressed gratification that Consul Magelssen had escaped without injury from the assault of the would-be murderer. He announced, however, that no change would be made in the plans of this government and that the European squadron which he ordered to proceed immediately to Beyroot, would continue to its ordered destination.

It can be said that the president and Secretary of State Hay both regard it advisable in view of the present state of unrest in Turkey, to have American war vessels in Turkish waters.

For several hours President Roosevelt and Secretary of State Hay were in conference at Sagamore Hill. They discussed every suggested phase of the situation in Turkey. At the conclusion of the conference Secretary Hay announced his intention of returning immediately to Washington.

Settling for the Disaster.

RAWLINS, Wyo.—W. C. Hussey, claim agent of the Union Pacific, has made a settlement with forty-one estates of miners who lost their lives in the Hanna mines on June 30. The sum of \$800 will be paid to each widow, \$50 to each child and \$45 to each single man.

DOINGS OF TURKS.

Evidently Intend Exterminating Bulgarians.

LONDON.—According to a Sofia telegram to the Times the Turkish repressive measures in Macedonia have reached the utmost limits of barbarism, and it is evident that it is the intention to accomplish this by degrees the total extirpation of the Bulgarian population.

Within the last few days, says the Times correspondent, twelve more Christian villages have been handed over to fire and sword, and the women, children and the aged have been massacred indiscriminately. Convoys of prisoners dispatched to Monastir have been murdered by their escorts on the way.

A private letter from a foreign resident in Monastir says even the local Turks are disgusted and mediate assassinating the consul in order to provoke European intervention.

The insurgents are doubtless taking a terrible revenge and are executing the revolutionary program to the letter. The reported concentration of large Turkish forces in the Adrianople district at Mustafa-Pasha, Kisyagach and other points on the Bulgarian frontier is regarded with much apprehension in Sofia.

A special dispatch published this morning gives a gloomy view of the crisis in the Balkans. According to reports from Constantinople a rumor was current that war had already been declared against Bulgaria. It was proved to be unfounded, but the state of popular feeling is said to be such that no other issue is regarded as possible.

It is further stated that although the Russian squadron was withdrawn from India it continues to cruise near the Bosphorus.

It is reported that several Italians have been murdered by Turks in Ismid, a seaport in Asia Minor, fifty-three miles southeast of Constantinople.

From Belgrade it is announced that a big mass meeting of Macedonians intended to be held August 23 was postponed to August 30 by order of the government on account of the Turkish protests.

VERY FAST TIME.

New World's Record Made by the Horse Dillon.

READVILLE, Mass.—Before a great crowd of spectators at Readville on Monday, and with track and weather conditions perfect, Lou Dillon trotted a mile in two minutes, a new world's record. So that no breeze might interfere, Millard Sanders, driver of the great mare, brought out the daughter of Sidney Dillon for the attempt early in the day.

For pacemakers there were two running horses hitched to road carts, Peggy from Paris, driven by "Doc" Tanner, and Carrie Nation, driven by Scott McCox.

The first score was fruitless, Lou Dillon making a break just before reaching the wire. On the second attempt, however, the word was given; Starting Judge Walker rang his bell, but Tanner nodded or him to say "go" and turning to Sanders, called to him to come along.

Tanner kept Peggy from Paris directly in front of the peerless chestnut trotter while McCoy lay at her wheel. In this way the trio went to the quarter pole in thirty and one-quarter seconds. With never a skip Lou Dillon went so smooth-gaited down the back stretch as to lead those not timing the mile to believe that her speed was not alarmingly fast.

Discuss Prospects of War.

VICTORIA, B. C.—Japanese papers brought by the Empress of China, which arrived Tuesday from the Orient, have columns discussing the prospects of war. The Mainichi reports that the Japanese government has concluded arrangements with a certain power for the loan of \$100,000,000 for military purposes. The paper states editorially that the report is believed to be true.
