

Literary Giant.
 "He has been a giant in the literary world." "Indeed?" "Yes; he has seen the time he could keep five historical novels running serially, at the same time, blindfolded and with one hand tied behind him."—Puck.

Comic Papers Soon Die.
 Several new comic papers make their appearance in Paris every year. Rire, which was founded ten years ago, had so much success that it has since had about twenty imitators, most of which were short-lived.

A Purgative Pleasure
 If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not grip or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Huston Tex. says "No better pills can be used than Little Early Risers for constipation sick headache, etc." Sold by Odendahl Bros.

Manners of East New York.
 A woman dropped her chataleine bag in a lower East Side street the other day. A nicely dressed young man started forward and stooped to pick it up. While he was in this defenseless position the woman brought down her umbrella on the back of his neck. A policeman rushed up, and the woman accused the gallant young man of attempted grand larceny. With great difficulty the young man succeeded in pacifying her and explaining to the policeman, who let him go with this reprimand: "Them manners don't go down here, young feller. Just keep yer hat on an' blow smoke in the ladies' faces an' you'll be all right."—New York Sun.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.
 "Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind."—For sale by Odendahl Bros.

Should Secure American Seamen.
 To improve shooting in the British navy Gibson Bowles will suggest in the house that retention of commands shall depend on gunnery results.

Emergency Medicines.
 It is a great convenience to have at hand reliable remedies in case of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one third the time usually required and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by Odendahl Bros.

LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marquette, Ill.

ARE
 YUO FOOLISH?

Boy,— Say, Pa, what do they mean by saying "Penny wise and pound foolish"?
 Father,— Why, it's where a man loses a dollar to save a nickle.
 Boy,— Well, Pa, were you that way when you let your hogs die because you did not want to pay out money for Liquid Koal that John Solms sells so much of.
 Father,— Johnnie, don't talk so much.

National Medicine Co. Coleridge Neb., Dec. 13, 1902.
 Sirs:—I can say that I am more than pleased with Liquid Koal. A year ago last October my hogs took sick and I tried every thing I could think of but no good came of it. So your agent Kirkpatrick came along and I took a can of Liquid Koal. I had about 50 hogs all sick, I shut them up in a small pen and made every hog take his medicine and I saved one half of my hogs. If I had not used Liquid Koal I am sure I would not have saved a hog. I think a man stands in his own light that does not keep Liquid Koal on hand. Use this as you see fit.

Yours
 WM. LOMBARD.

Catarrh of the Stomach.
 When the stomach is overloaded; when food is taken into it that fails to digest, it decays and enlarges the mucous membrane, exposing the nerves and causes the glands to secrete mucin instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I have suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure. J. R. Rhea Coppell, Tex. Sold by Odendahl Bros.

Eugene Field's
Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes extinguishes the fire of ambition." Though great despite his complaint Field suffered from indigestion all his life. A weak, tired stomach can't digest your food. It needs rest. You can only rest it by the use of a preparation like Kodol, which relieves it of work by digesting your food. Rest soon restores it to its normal tone.
