New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Odendahl Bros.

Laid to Rest.

"Uncle" Joseph Simmons, one of Sherman county's oldest and most respected citizens, was laid to rest in the Cleoria Cemetery last Sunday, Oct. 18, 1903. "Uncle Joe" as he was familiarly called by his many friends, had a kind and amiable disposition, none knew him but to love him and during his many years among us the sunshine of his every day life was never marred by a cloud. His neighbors ministered carefully and with pleasure to his ever growing needs as "Uncle Joe" neared his flight, kind hands that he had grasped off in friendship laid him tenderly away. Joseph Simmons was born in Woolton Bassett, Wilksbire, England on March 1st, 1829. He came to the United States in 1849 and to Sherman county in 1882, and at 4 o'clock, Oct. 17, 1903 his spirit went to the God that gave it. Rev. Stephens preached his funeral sermon, assisted by Rev. Sparr, minister of the United Brethren church of which the deceased was long a member, and many a tear dropped to his memory when the casket lid forever closed from view, a kind and loving friend.

Twentieth Wedd'nz Anniversary.

The many invited guests who attended the twentieth wedding anniversary of Mr. and Mrs. W. R. Mellor at their home in this city, last Friday evening, October 16, 1903, express great delight for the manner in which they were received and entertained by this much esteemed couple.

Several days ago invitations were sent out to their friends and in response more than one hundred and fifty people went to their home, at the appointed hour (eight o'clock) on the evening mentioned. In other words the large residence was well filled with admiring friends.

It was never our pleasure to meet a more jolly and appreciative gathering than on this occasion, and the expression of admiration for Mr. and Mrs. Mellor, as valuable and helpful citizens was in every word, every face and every heart. The delightful manner in which they entertained added much to the pleasure of the occasion.

By 9 o'clock nearly all the guests had arrived and Mr. Mellor opened the entertainment with a beautiful vocal solo, with Mrs. Mellor seated at the piano playing the accompaniment. Both Mr. and Mrs. Mellor are gifted with rare musical talent and the selection was well given and received with a cheer.

Mrs. Robert P. Starr gave a beautiful piano solo which was very much appreciated. A male quartette also sang some nice songs. The graphophone was an amusing feature of the entertainment and the social part was very much enjoyed.

Mr. Mellor had carefully prepared a sketch of their recent trip to the Yellow Stone Park and he read it to those present. It was listened to with very much interest. In this production he lead his hearers through the entire journey and detailed his experience and observations in such glowing terms that one could almost imagine that he had seen instead of heard.

About 11 o'clock an elegant lap supper was served, and to say the least a more complete feast of good things could not have been prepared. At midnight the guests departed, wishing Mr. and Mrs. Mellor a long continuation of happiness and prosperity.

Twenty years ago Mr. and Mrs. Mellor were married at Michigan City Ind. and in 1885 or eighteen years ago they moved to Loup City where they have since resided.

Among those present at the anniversary wedding were Mr. and Mrs. S. C. Bassett of Gibbon and Mr. and Mrs. H. L. Cook of St. Paul. Mr. Bassett and Mr. Cook are members of the state board of agriculture as also is Mr. Mellor. Other members of the board were invited but sent their regrets for not being able to attend.

Notice to Teachers.

To the Teachers of Sherman county:—Greeting:—I desire to call your attention to the program for the State Teachers Association, to be held in Lincoln, Neb., during the last days of Dec., 1903 and the first days of Jan., 1904.

A special feature of this program is the pupils spelling contest, to which I particularly desire to call your attention.

The contest offers an opportunity to make reparation for past neglect in teaching spelling and a few months emphasis placed upon that study, means not only better spellers, but that spelling will become popular and must be incorporated in the course of study and daily program of our schools. A revival of the old time spelling school would be a welcome innovation, and a desirable diversion.

We hope that each teacher in the county will give this matter special attention and urge pupils to prepare to enter the county contest which will be held at Loup City Neb., Saturday, Dec. 19, 1903 beginning at 10 o'clock a. m. The purpose of the spelling contest is to arouse new interest in spelling among pupils and patrons, and making possible its recognition in the course of study in our schools.

In preparing for contest the following must be observed:—Three classes or grades of spellers are designated, Class A for rural schools and grammar grades, class B for the smaller high schools and class C for accredited high schools.

The spelling in class A and B shall be written, but in Class C it shall be oral.

How classes are selected.—Class A and B shall be the winners in the county contests, class C shall be the winners in public contests in accredited high schools, to be held no earlier than Dec. 17, 1903.

Eligibility.—No pupil shall take part who has not been in regular attendance for more than half the fall term and no pupil shall take part unless spelling has been taught in the school more than half the fall term.

Words to be used in contest.

At least four-fifths of the words pronounced shall be taken from the Roll of Honor lists and the lists to be printed in the October and November number of the Nebraska Teacher. For class A Roll of Honor lists one and two, for class B lists two and three and for class C lists one, two and three.

The contestants for the county contest shall be the winners in local contests held in rural and village schools, not earlier than Dec. 10, 1903, one contestant from each school; The contestants for class A being winners in rural schools and grammar grades, class B winners in local high school (not credited) contests.

Dear Teachers—I have given you the outline work for the spelling contest; come to the County Teachers Association, Nov. 14, with you plans matured and we will discuss and mature plans for conducting the county contest.

Yours for success in the work
R. D. HENDRICKSON,
Co. Supt.

ARE YOU FOOLISH?

Boy,— Say, Pa, what do they mean by saying "Penny wise and pound foolish?"

Father,— Why, it's where a man loses a dollar to save a nickel.

Boy,— Well, Pa, were you that way when you let your hogs die because you did not want to pay out money for Liquid Koal that John Solms sells so much of.

Father,— Johnnie, don't talk so much.

National Medicine Co. Coleridge Neb., Dec. 12, 1902.

Sirs:—I can say that I am more than pleased with Liquid Koal. A year ago last October my hogs took sick and I tried every thing I could think of but no good came of it. So your agent Kirkpatrick came along and I took a can of Liquid Koal. I had about 90 hogs all sick. I shut them up in a small pen and made every hog take his medicine and I saved one half of my hogs. If I had not used Liquid Koal I am sure I would not have saved a hog. I think a man stands in his own light that does not keep Liquid Koal on hand. Use this as you see fit.

Yours
