

REPUBLICAN  
VICTORY.

RESULT IN THE STATE.

10,000 for Barnes, Regents  
Get More.

1,000 FOR HOSTETLER.

THIS TWELFTH JUDICIAL DISTRICT  
REPUBLICAN AGAIN.

(From The Omaha Bee.)

Complete returns have been received from thirty-nine of the ninety counties in the state and partial ones from practically all the remainder. The thirty nine counties complete, including Douglas and Gage, represents a little over half the total vote of the state. In these counties Barnes, Rep., for supreme judge has a plurality of 4,467. In the same counties two years ago Sedgwick had a plurality of 7,677. These figures taken in connection with the partial returns from the remaining counties indicate that the plurality of Barnes, in the state will be 10,000. The heaviest loss for Barnes as compared with Sedgwick vote, was in Douglas county, where it averaged almost twenty to the precinct. Out in the state, particularly in the counties having no large towns, he has not lost anything or at the most only a fraction of this figure. These counties are, as a rule, the ones only partially reported. From this it would seem a safe estimate to put Barnes' plurality at the figure named.

There is nothing at hand upon which to base an accurate estimate of the votes for regents, but the meager reports would indicate that they will have a larger plurality than the head of the ticket.

In the judicial districts the republicans have been successful as a rule, though the figures are incomplete. Reavis, rep., in the first district is defeated, though the republicans elect the other judge. This is due to a bitter factional fight which was waged upon him.

In this, the 12th judicial district Hostetler the republican candidate won by a round thousand majority.

During the recent campaign the charge was made to my detriment in Bristol township that I had tried to collect \$2.50 from John Hockreiter, of Ravenna, for cancelling a real estate mortgage against him that had already been discharged. I told Mr. Mortz, the mortgagee that the statement was false and offered to pay him \$25.00 for any letter written by me on the subject. Mr. Mortz kindly procured the letter and it is given below in full:

Loup City Nebraska Aug 8, 1903.

John Hockreiter Esq.

Ravenna, Neb.

Dear Sir: I find that the mortgage to Peter Moritz covering land in 26-13 and 16 has not been released.

If you wish and will send me \$2.50 I will prepare a proper release, send it to Peter Moritz for his execution, and on securing it back from him will have it properly recorded and then send it to you.

Yours truly  
H. M. MATHEW.

In justice to Mr. Mathew I would say that the release of the mortgage referred to was a marginal release, therefore does not appear on the numerical index only in the two words "marginal release," which is written in the column for "remarks" just after the description of the land and Mr. Mathew overlooked it when looking the matter up for Mr. Hockreiter.  
Geo. H. GIBSON,

"If you are a friend of the Times Independent vote for Christiansen for sheriff," says the Times in its issue just before election. Alas, where are these friends.

Billy Jacob, as a candidate by petition for supervisor of Bristol and Hazard townships failed to win out Geo. Brammer, the populist nominee received a nice plurality over both Munn and Jakob.

GAINING GROUND.

Sherman County Doing Better  
All The Time.

ONLY 112 POP MAJORITY.

It Used to be About Three Hun-  
dred and Fifty.

The result of the election in Sherman county is about the same as most people had figured it out. Judge Angier, Mr. Sweetland, Mr. Gibson and Mr. Hendrickson have all made good officers, and the common expression of leading citizens from every part of the county was to the effect that they would be hard to beat. And so it seemed. The republicans however had up a splendid ticket. Every man of them was worthy the support of every loyal republican but in some townships this was not done, and we can only attribute this fact to the popularity and good record of the opposing candidates. The same cause may be attributed to the fact of so much of the populist vote having drifted towards Mr. Gibson.

The vote for candidates on the sheriff and assessor was close. All were new men for the office. The fact that Mr. Williams is an old citizen and is very popular gave him some advantage over his opponent who is not so well known over the county. Both Mr. Williams and Mr. Christiansen carried their own townships by majorities that they may well be proud of. Mr. Claussen, on the republican ticket for assessor made a splendid race. He had a big majority in his own township and ran away ahead of his ticket in the county. He was only defeated 83 and when you consider the usual populist majority in this county and that his opponent, Mr. Peters is an old citizen and more generally known, it is plain that Mr. Claussen made a good run.

Regarding Mr. Starr, the republican candidate for county judge we will say that in the city where he has become well known the republican vote was cast for him, but when the country vote came in there were evidently republicans, who not being very well acquainted with him during his short residence here, and knowing Mr. Angier to have made a good officer, voted for the

latter. Mr. Starr's decreased vote in other parts of the county may be attributed to the same causes.

Mr. Omev for superintendent is also a new man and was much in the same position as Mr. Starr. Being well known to the people of his township, however, he was able to carry it by a handsome majority. It was a victory for the republicans never-the-less, and with a good organization and another good set of candidates we are quite sure of success in the future.

Loup City township polled the largest vote she has ever polled, 288 ballots having been cast. Of these D. C. Grow, rep. nominee for supervisor received 183 and W. A. Hayes the populist nominee got 78. The balance of the republican township ticket was elected by majorities ranging from 20 to 95. The result was a splendid endorsement of Mr. Grow's official record.

THANKS

I desire to extend my sincere thanks through the press to the voters of Sherman county and of all political complexions for your kind assistance during the campaign just closed and for the generous majority polled up for me on election day. It shall be my aim and fondest desire to merit your confidence so generously given, and my fondest hope that I succeed.  
Yours Truly,  
G. H. GIBSON.

L. A. WILLIAMS,

THE OLD SOLDIER WINS THE FIGHT.  
Time: 13 years, several months and some days. That is to say that we have not had a republican sheriff for that length of time. But now, ah now! Well, our place of business is just south of the court house square. Bring them legal notices this way Mr. Sheriff, please.

ABSTRACT OF VOTE

Polled in Sherman County Nebraska, Nov 3rd., 1903.

TOWNSHIPS:	Oak Creek	Logan	Washington	Elm	Loup City	Hookville	Clay	Harrison	Scott	Hazard	Bristol	Total	Plurality

IF YOU GET UP IN THE  
MORNING

with determination, you are going to bed with satisfaction, provided you are determined to buy Liquid Koal for your hogs before they get the cholera.

This is the time of year when they are full of worms as a result of feeding new corn. Cattle will soon begin to get corn stalk disease, and Liquid Koal will prevent all this. It is the best worm destroyer known.

OUR Price, One Dollar per Qt., Three Dollars per Gallon.  
OUR Motto is "Don't advertise if you can't Make Good."
