### Republican County Convention

Loup City, Neb., March 8, 1904—The Republican electors of Sherman county, Nebraska, are hereby requested to send delegates from their respective townships to meet in convention at Loup City, Nebraska, on Tuesday, April 26th, 1904, at 11 o'clock a. m. for the purpose of electing delegates to the Republican State and Senatorial conventions for the year 1904, to elect a county central committee and the chairman thereof, and to place in nomination a candidate for county attorney and a candidate for Representative of the 57th district of Nebraska. Also to transact such other business as may properly come before said convention.

The several townships are entitled to representation as follows: the apportionment being based upon the vote cast at the last general election for the Hon. John B. Barnes Judge of the Supreme Court, giving each township one delegate for every seven votes or major fraction thereof and one delegate at large:

Oak Creek	2	Logan	5
Washington	6	Elm	3
Webster	4	Loup City	23
Ashton	7	Rockville	5
Clay	5	Harrison	9
Scott	3	Hazard	7
Bristol	6		
Total	85		

It is recommended that the primaries be held at the usual voting place in each township on Saturday, April 23, 1904.

By order of the Republican County Central Committee.  
R. J. NIGHTINGALE, H. SMELSER,

The racing program for the state fair has been completed. The purses offered amount to \$5,700.

Senator Quay of Pennsylvania is reported dangerously ill. There is still hope, as the physicians have not commenced issuing bulletins.

The opposition to Republicanism in Nebraska is trying to get together on Sitas Holcomb for governor. Now is Bixby's chance.

The democratic muddle is still muddling. Bryan comes out flatfooted in opposition to Parker, Gorman, Cleveland & Co., which means a fight to the finish between Bryan, Hearst & Co. and the gold-bug democratic triumvirate.

United States Senator Burton of Kansas has been sentenced to six months' imprisonment and fined \$2,500 for having been convicted of using his influence before the post-office department in favor of the Rialto securities company and receiving pay from the company for his grafting. Lucky Dietrich.

State Superintendent Fowler says "teachers who are thrown out of their work because the schools are closed by the order of school boards are still entitled to their pay, notwithstanding the decision of the supreme court in a recent case from Sherman county." He says the decision of the court relates only to cases where schools are closed by order of health officers during the prevalence of epidemics.

Approp's of the question of paying off the bonded indebtedness of Sherman county by a special levy, agitation of which was started in our columns in a very interesting argument by County Clerk Gibson, week before last, Jacob Albers has received the following letter which speaks straight from the shoulder in its favor:

Brooklyn, N. Y., April 6.—Friend Albers: In last week's NORTHWESTERN George Gibson asks opinion of citizens on extra levy of eight mills in next two years to take up indebtedness maturing. As a taxpayer, tell him I approve of such levy. The body politic should be as prompt in paying debts as the individual is expected to be. Yours,  
E. J. DELANEY.

The press of the state are pretty unanimous in wanting Harry Lindsay to have something good. They wanted him to succeed Summers as district attorney, but as their wishes in that regard have been disregarded, they now insist on his appointment as supreme court reporter. And why not? Lindsay is deserving, competent, reliable, painstaking, and would prove an excellent man for the place. Suppose Judges Sedgwick and Barnes listen to the voice of the press for once. We want Lindsay appointed clerk.

According to latest advices winter wheat prospects are not up to last year.

### HIGH SCHOOL NOTES.

(BY MISS ELLA FOSTER)

On account of the bad weather many pupils were absent the latter part of last week.

The literary which was given last Thursday evening was highly appreciated by those who had courage enough to venture out in such bad weather.

Dr. J. H. Long presented five volumes of the works of Edgar Allan Poe to the high school library the first of the week. We appreciate the gift and wish to thank Dr. Long for the same.

Prof. E. G. Magzi, the noted lecturer and reader, will give one of his remarkable entertainments in Loup City on the evening of April 22 (Friday) at the opera house, under the auspices of our public school. Admission, 35c and 25c. He is said to be fine.

The party that was to be at M. I. Boone's was postponed on account of the stormy weather.

Sowing oats and making garden were the order of last week, owing to the stormy weather not much was done.

STRAWBERRY.

There will be a series of sermons on "Modern Nations and Events in Prophecy" given in the Baptist church. The first, on "Modern Europe in Prophecy," will be given Sunday evening, April 17, to be followed on the evening of Sunday, April 24, by "The United States in Prophecy." Some years ago by a careful and prayerful study of the Book of Daniel, I came to an understanding entirely different from that usually given either by the Adventists or other exponents of modern events. The rule of exposition followed enabled me to forecast the result of the Turk War of 1897 at its beginning in a sermon given at that time; at the same time I was able to forecast the war between the United States and Spain and indicate the date as the spring of 1898 and the result as that the United States would become a world power. This sermon was reported at Dow City, Ia., to a crowded house in the beginning of our war with Spain, the city paper printing large extracts from the predictions. These expositions carry the history of world events down to 1943—the beginning of universal peace. The present war between Russia and Japan and the probable war in the Balkans with Turkey will be noticed in their scriptural place and for cast of probable results given. F. D. KENNEDY.
