Mrs. Martha Engle, who recently pur-  
chased the Hayhurst property, is stay-  
ing with her daughter, Mrs. Walter  
Smith, until she takes possession of her  
new home.  
Robert Mathew seems to be taking  
the lead in good tennis work at the  
University. At the tennis tournament  
in Lincoln, last week, he came out first  
best in several trials. Good for our  
Loup City boy.  
Lon Daddow's team took a spin from  
the court house square up to the vicin-  
ity of the school house, last Saturday  
morning, where they interviewed a  
post, which terminated their race. No  
serious harm done.  
Conger Brothers and the better por-  
tion of their households went down to  
Litchfield, last Saturday where they  
gave a dramatic entertainment, closing  
with a dance. A very pleasant and  
successful time was had.  
W. S. Woznick was in town last  
Friday and told of three fire-fighting  
up in his neighborhood, the Sunday  
previous, in which the people were suc-  
cessful in saving the property of a Mr.  
Sholeski. The fire was supposed to be  
of incendiary origin, from the fact that  
it was started in three different places,  
and from no probable accidental cause.  
Mrs. H. L. Bell is enjoying a visit  
from her father, Mr. John Riley, of  
Bancroft, Kansas, accompanied by his  
son. They will visit here some time  
and from here will go to Buffalo county  
to visit another daughter of Mr. Riley.  
From there they will go to northern  
Idaho to visit two other daughters,  
and may conclude to locate there, if  
suited.  
Conductor T. A. Taylor returned  
from his trip to San Francisco, last  
Thursday, reporting a most pleasant  
time. He arrived in Frisco the day his  
son, T. A. Taylor, Jr. who is orderly  
sergeant of Co. M, 11th U. S. Infantry,  
was to sail for the Philippines, but  
who was granted a 48-hours' delay in  
order to visit his father. Mr. Taylor,  
Sr., also has a son on the Wisconsin,  
with County Clerk Gibson's boy.

This story is told on an old bachelor  
who bought a pair of socks and found  
attached to one a paper with these  
words: "I am a young lady of twenty  
and would like to correspond with a  
bachelor with a view to matrimony."  
Name and address were given. The  
bachelor wrote and in a few days got  
this reply: "Mamma was married 20  
years ago. Evidently the merchant  
from whom you bought those socks  
did not advertise, or he would have  
sold them long ago. My mother hand-  
ed me your letter and said possibly I  
might suit. I am eighteen."—Ex.

We learn from our Adventist friends  
that arrangements have been completed  
for the holding of a district campmeet-  
ing in Loup City, by the Seventh Day  
Adventists. A plot of ground opposite  
the residence of Judge Angier has been  
secured for the occasion. The camp-  
meeting is to be open Wednesday even-  
ing, June 1st, and will close Sunday  
evening, June 12th. Dr. W. A. George  
of the Nebraska Medical and Surgical  
Sanitarium, Lincoln, will be present  
and will deliver a series of health lec-  
tures. Prof. M. E. Kern of Union col-  
lege, Lincoln, and several prominent  
ministers of Nebraska will be in at-  
tendance. During the time of the camp-  
meeting, services will be held through-  
out each day and evening. Prelimi-  
nary evening services, beginning about  
May 25, will be conducted in the large  
meeting tent for one week prior to the  
regular campmeeting.

The joke is on County Clerk Gibson.  
A few weeks since, he received a letter  
from his son who is on the gunboat  
Wisconsin, stationed at Manila, saying  
he would send his father a box of the  
finest cigars in the world. Later, the  
box started all right, containing 25 very  
fragrant smokers, by mail prepaid. But  
the joke came later, when Mr. Gibson  
received notification from Uncle Sam's  
revenue man in San Francisco that the  
duty on said box of cigars was \$188,  
which he would please remit. George  
appreciated the circumstance and so do  
the boys hereabouts. And that reminds  
us of another good one innocently  
played upon Wilber Waite's brother,  
who lives in old Mexico, Mrs. Wilber  
Waite, along about last Christmas,  
made her husband's brother two nice  
night shirts and sent them to him as a  
Christmas gift, but when the brother  
got them he had to pay a dollar duty on  
each.

H. G. Chamberlain of Hudson, Mich.,  
is the guest of W. R. Mellor.  
A nice lot of trees have been set out  
around the Adventist church.  
Chris Heitz is sinking a hydraulic  
well on his residence property.  
Mrs. Wesley Pedler visited friends at  
St. Paul last Thursday, returning in  
the evening.  
B. M. Baumgart was in town last  
Thursday, taking subscriptions for the  
Omaha Bee.  
The Degree of Honor held a very  
pleasant social at their hall last Thurs-  
day evening.  
Albert J. Johnson last week purchas-  
ed the residence property he is now  
occupying of Harriet M. Smith.  
Mrs. Jennie S. Rawson, who has been  
on an extended visit to her son, Dr.  
Vance Rawson, in Chicago, returned  
Tuesday.  
W. D. Hover went fishing last Friday  
taking Mrs. Hover along to attend to  
his conduct. They brought a nice mess  
of fish home as their reward.  
George Ware came up from St. Paul,  
visiting in Loup City Saturday and  
Sunday, and on Monday leaving for the  
Dakotas to look up a homestead.  
Miss Nettie Conger was on the sick  
list last week and unable to teach her  
room in the public school. She was able  
to resume her work this week, how-  
ever.  
We were in error, last week, in stat-  
ing J. S. Pedler was in attendance on  
the Masonic grand chapter at Omaha.  
It was the grand chapter Order of the  
Eastern Star, instead.  
Elder A. T. Robinson, who was hold-  
ing Adventist services here the last few  
days, with his wife and daughter were  
guests of Mr. and Mrs. T. S. Nightingale,  
at their comfortable home.  
Misses Belle Mulick and Ollie Roberts  
went to Grand Island, last Friday, to  
visit friends, Miss Mulick returning  
the same evening, and Miss Roberts  
returning Saturday evening.  
Mr. J. D. Gilbert, who has been em-  
ployed at the Soldiers' Home at Mar-  
shalltown, Iowa, for some time, resigned  
his position there and is visiting old  
friends and acquaintances in Sherman  
county. Mr. Gilbert will remain a few  
weeks, but is undecided just where he  
will locate.  
Owing to lack of acquaintance with  
the people, matters and things connect-  
ed with news hereabout, we make not  
a few errors in publication, for which  
we ask the indulgence of Brer. Brown,  
who seems to especially rejoice in them  
through his columns. Remember, we  
were not born here, dear brother.

The village board at its first meeting  
since election, elected J. I. Depew  
chairman, W. J. Fisher clerk, and L.  
Hansen treasurer for the coming year.  
Wesley McCombs was appointed mar-  
shal and street commissioner, and saloon  
licenses were granted to T. Henry  
Elsner and M. C. Mulick, as prayed for.  
We understand our Adventist friends  
are making arrangements looking to-  
ward holding a campmeeting in or near  
Loup City some time in June. We  
trust they will be successful in their  
efforts. Later—the grounds have been  
selected just east of town, near Judge  
Angier's, and we understand a two  
week's meeting will be held. Particu-  
lars in another place.  
We understand that the State Medical  
Association, at its recent meeting in  
Omaha, resolved to support Dr. Main  
in his appeal to the supreme court from  
the recent decision of Judge Hostetter,  
in which the judge held that a medical  
man was not entitled to any remunera-  
tion for expert testimony. The action  
is entitled A. S. Main vs. Sherman  
county, and the board of supervisors  
refused to allow the claim of \$15. H.  
M. Mathew is attorney for the plaintiff

We appreciated a very pleasant call  
last Friday from Elder A. T. Robinson,  
who held Adventist services here the  
past week. The elder has for a number  
of years been a missionary in South  
Africa and Australia, but at present  
has charge of Adventist churches in  
Nebraska. He is a bright, brassy man,  
a fluent speaker, and evidently a good  
executive officer, from the fact of his  
official position. We trust he may  
have the best of success in his work for  
the betterment of mankind, wherever  
his lines are cast.  
There was quite an interesting  
habeas corpus case up before the county  
judge, Tuesday, which, however, was  
not off for final hearing until next  
Tuesday. It involves the possession of  
a 11-year old boy. The child is the son  
of John Rumbach, of south Sherman  
county. The boy's mother died when  
he was only a day old, and by agree-  
ment he was placed in the hands of his  
grandmother as long as she should live,  
the father to pay a stipulated amount  
per month for a certain term of years.  
Last week the grandmother died and  
the father now wants possession of the  
boy, but is fought by the child's uncle,  
who wishes to keep the boy, under the  
contract. B. J. Nightingale is looking  
after the father's interests, while T. S.  
Nightingale defends. It is quite a com-  
plicated case.

Henry Jenner was registered at the  
Lindell, Lincoln, Tuesday.  
Mrs. G. Hall of Grand Island visited  
at the Ditto home over Sunday.  
E. Munn of Bazard was in town on  
business today, and gave us a call.  
M. R. Mellor went down to Lincoln  
on State Fair business this morning.  
Miss Rose Mulick entertained the  
Junior Finch club Tuesday evening.  
Julius Polenz and John Rumbach  
were in town from south Sherman,  
Tuesday.  
M. D. L. Howard left Wednesday  
morning for Cozad to take charge of a  
flouring mill.  
Adam Conliser of Sargent was the  
guest of his brother, C. W. Conliser,  
the first of the week.  
Mrs. W. F. Mason went to Aurora  
Tuesday, to visit her school girl friends  
and will return Friday.  
This office is no place for chronic loaf-  
ers, no matter what the attraction may  
be. We trust this hint will be a suf-  
ficient index of our future intentions.  
The general stores of Loup City have  
entered into an agreement to close their  
places of business at 7 o'clock each  
evening hereafter, except Saturday  
evenings, until further notice.  
R. P. Starr, H. M. Mathew, F. L.  
Wright and W. F. Mason were fishing  
Tuesday, afternoon, bringing home a  
string of fine bass. A fine lunch was  
indulged in about dusk. Ask Starr  
about the turtle.  
Albert Johnson and wife went to  
Arcadia, last Friday, to attend the  
funeral of Mrs. R. F. Rowe, of Lee  
Park, Neb., who died that morning  
and was buried that afternoon in the  
Lee Park cemetery.  
Mr. Fred Stark of Wiggle Creek  
suffered from a paralytic stroke, Tues-  
day morning of this week, but at this  
writing is resting easier. We under-  
stand this is the second time he has  
been visited by this dread disease.  
Next Wednesday is the date of the  
state Republican convention. The  
editor expects to go with the  
Sherman county delegation to look  
after their conduct.  
D. E. Robinson, son of Elder Robinson,  
who has been holding Adventist meet-  
ings here, arrived from northern  
California, Tuesday evening, to surprise  
his parents on his way to Washington,  
D. C. He is stenographer for Mrs. E. G.  
White, the leading evangelist of the  
Adventist faith.

ATTENTION, DEMOCRATS  
You are hereby notified that a mass  
convention of the Democrats of Sher-  
man county will be held at Society  
Hall in Loup City, on May 26, 1904, at

selecting seven delegates to attend the  
State Convention at Omaha, June 1st,  
1904.

dealt with prophecy and practical  
Christianity.
