Clerk.

By the method of equalization adopt-County Board of Supervisors met pur- ed by the board this year the very best suant to adjournment of June 7th, farms in Loup City, Oak Creek, Ashton, Present D. C. Grow, chairman; John Rockville and Bristol townships are Malefski, W. O. Brown, Peter Thode, each assessed at \$540, as the best farms ered to be practically of equal value. In Logan, Webster, Clay, Hazard and Har-rison townships the best farms were assessed at \$486, and in Washington, Elm The Mizner road petition for establand Scott townships the best farms were lishment and the Houser road assessed at \$440. If the assessors of each township have done justice as between the value of the farms in their respective townships, there has been absolute structed to examine cites of same and fairness in the equalization, as all lands in the various townships are raised to correspond with the apove values.

(Kuhn Road No. 1.) To Whom It May Concern:

The commissioner appointed to view and locate a road commencing where Road No. 41 leaves the half section line about sixty rods north of the south line of section eight [8], townshtp fifteen [15], range sixteen [16], and running thence directly south on the half section line to and connecting with Road No. 167, where said Road No. 167 touches said half section line, a distance of about forty-five rods, be established, and that that part of Road No. 41, from where Road No. 41 strikes the south line of said section eight, diagonally across the southeast quarter of the southwest quarter of section eight [8], damages must be filed in the office of Nebraska, on or before the 18th day of August, 1904, or such road will be established and vacated without reference
