**PROPOSED CONSTITUTIONAL AMENDMENT.**  
The following proposed amendment to, and convention for the revision of, the Constitution of the State of Nebraska, as hereinafter set forth, in full, is submitted to the electors of the State of Nebraska, to be voted upon at the general election to be held Tuesday, November 8, A. D. 1904.

(SENATE FILE NO. 114.)  
A Bill for a Joint Resolution recommending to the electors of the state to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska in accordance with Section 2, Article 15, of the Constitution of the State of Nebraska.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEBRASKA:  
1. That it is deemed necessary to call a convention to revise, amend and change the Constitution of the State of Nebraska.

2. That the electors are recommended to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska.

3. That at such next election of members of the Legislature on the ballot of each elector voting at such election, shall be printed or written in such manner that the elector can indicate his preference under the law the words: "FOR calling a convention to revise, amend and change the Constitution of the State of Nebraska," and "AGAINST calling a convention to revise, amend and change the Constitution of the State of Nebraska"; and if a majority voting, at said election shall vote for a convention, the Legislature shall, at its next session, provide by law for calling the same.

I, Geo. W. Marsh, Secretary of State of the State of Nebraska, do hereby certify that the foregoing proposed amendment to the Constitution of the State of Nebraska, and providing for a convention for the revision of said Constitution of the State of Nebraska, is a true and correct copy of the original enrolled bill passed by the Twenty-eighth session of the Legislature of the State of Nebraska, as it appears from said original bill, on file in my office, and that said proposed amendment and revision of the Constitution of the State of Nebraska is submitted to the qualified voters of the State of Nebraska, for their adoption or rejection, at the general election to be held on Tuesday, the 8th day of November, A. D. 1904.

In testimony whereof, I hereunto set my hand and affixed the Great Seal of the State of Nebraska.  
Done at Lincoln this 4th day of July, in the year of our Lord One Thousand Nine Hundred and Four, of the Independence of the United States the One Hundred and Twenty Ninth and of this State the Thirty Eighth.

(GREAT SEAL.) GEO. W. MARSH,  
Secretary of State.

There will be a convention of electors of the third supervisor district held at the Throckmorton school house, in Clay township, on Aug. 29th, at 2 p. m., to nominate a supervisor for said district.

T. C. CHAMBERLAIN,  
THOMAS BURTON,  
JOHN MATHEWSON,  
Committee.

Now, that all parties in Sherman county have made their nominations, forked political lightning may be expected to strike in all directions.

Talking to an old-line democrat, the other day, he said, "I was born a democrat, have always voted that ticket, and am still a democrat, but am not the of Wall street-Hill-Parker kind, and am heartily sick of fusion as well, so I am going to vote this fall for Roosevelt and Uncle Joe, and for Uncle Joe especially because he settles every case that comes before him out of court, if possible, and that's my kind of a county attorney." That's pretty good reasoning from a taxpayer's standpoint, ain't it.

Every voter who believes in the honesty and rightness of Theodore Roosevelt's position in regard to the evils which menace this country, such as Wall street domination, the trusts, the meat combine, railroad mergers, etc., should vote for Republican legislators and congressmen to strengthen the Roosevelt arm. It is no question of doubt that Roosevelt must owe his election almost wholly to the common people, whose candidate he is, nor any greater doubt that the almost combined corporate power of the trusts, combines and great Wall street interests will try to encompass his defeat. Voter, party or no party, where will you stand?

Don't miss this sale.

## SERIOUS SHOOTING AFFRAY

**Three Young Men Shot While Invading an Orchard.**

A bad shooting affair occurred in Bristol township, this county, Monday of this week, just across the river from Rockville. The circumstances are about as follows, as near as we can ascertain. While Lisle Holmes, son of Geo. Holmes, a respected citizen of that township, together with two companions, Frank Meyer, of the same township, and Harry Jungle of Buffalo county, were passing the farm of Frank Cook, another highly respected citizen of Bristol township, they left their threshing rig and went into the Cook orchard to help themselves to apples. Just what occurred at this time conflicting stories are told, but the facts admitted are that Mrs. Cook fired two loads of shot at them, each one of the boys receiving a portion of the contents, Holmes and Meyer being only slightly injured, while Jungle was seriously wounded, the extent of his injuries yet to be ascertained. Mr. and Mrs. Cook and Mr. Holmes, father of the boy, were in Loup City, Tuesday, in consultation with County Attorney Pedler and legal counsel, resulting in a mutual agreement, as we understand, to await the result of the Jungle boy's injuries, before action, if any, may be brought, and letting Jungle, he being the most injured, bring that suit. Mrs. Cook was here ready to give herself up, but insists she only shot to scare the boys, and did so because of constant aggravation from unwelcome visitations to their orchard. Mr. Holmes feels keenly the trouble and is not inclined to let the matter rest. It is a very unfortunate affair, and as all concerned are neighbors and are most respected citizens of their section of the country, we trust they may amicably settle this matter out of court and save the taxpayers the great expense of such a proceeding and the consequent ill-feelings engendered which time cannot heal.

If you vote the Republican ticket straight this fall you can make no mistake for Rooseveltism is the watchword.
