### PROPOSED CONSTITUTIONAL AMENDMENT.

The following proposed amendment to, and convention for the revision of, the Constitution of the State of Nebraska, as hereinafter set forth, in full, is submitted to the electors of the State of Nebraska, to be voted upon at the general election to be held Tuesday, November 8, A. D. 1904.

(SENATE FILE NO. 114.)

A Bill for a Joint Resolution recommending to the electors of the state to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska in accordance with Section 2, Article 15, of the Constitution of the State of Nebraska.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEBRASKA:

1. That it is deemed necessary to call a convention to revise, amend and change the Constitution of the State of Nebraska.

2. That the electors are recommended to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska.

3. That at such next election of members of the Legislature on the ballot of each elector voting at such election, shall be printed or written in such manner that the elector can indicate his preference under the law the words: "FOR calling a convention to revise, amend and change the Constitution of the State of Nebraska," and "AGAINST calling a convention to revise, amend and change the Constitution of the State of Nebraska"; and if a majority voting, at said election shall vote for a convention, the Legislature shall, at its next session, provide by law for calling the same.

I, Geo. W. Marsh, Secretary of State of the State of Nebraska, do hereby certify that the foregoing proposed amendment to the Constitution of the State of Nebraska, and providing for a Convention for the revision of said Constitution of the State of Nebraska, is a true and correct copy of the original enrolled bill passed by the Twenty-eighth session of the Legislature of the State of Nebraska, as it appears from said original bill, on file in my office, and that said proposed amendment and revision of the Constitution of the State of Nebraska is submitted to the qualified voters of the State of Nebraska, for their adoption or rejection, at the general election to be held on Tuesday, the 8th day of November, A. D. 1904.

In testimony whereof, I hereunto set my hand and affixed the Great Seal of the State of Nebraska, this 5th day of July, in the year of our Lord One Thousand Nine Hundred and Four, of the Independence of the United States the One Hundred and Twenty Ninth and of this State the Thirty Eighth.

(GREAT SEAL.) GEO. W. MARSH, Secretary of State.

This is the season of the year when the music of the threshing machine is heard in the land. Grain is yielding fairly well, in spite of the storm, which injured it considerably.

## BURNED TO DEATH.

A telephone message was received by Mrs. Samuel Daddow, last Thursday, announcing the sad ending of the earthly career of Mrs. D. A. Geil of St. Paul, a sister of Alfred L. Ballman, who married Miss Pearl Daddow, of this place. About five o'clock Wednesday afternoon, of last week, Mrs. Geil was burned to death.

She was at home alone, wishing to use some camphor and being unable to remove the glass stopper she set the bottle on the gasoline stove to heat it when picking the bottle up it exploded throwing the contents over her clothing, the vapor igniting from the burning jet of the stove, she was in a moment enveloped in flames. She ran to the folding bed and tried to secure a quilt to wrap herself in to smother the fire but she could not get the bed down, she saw if she stayed in the house it would be burned, ran out on the lawn where she threw herself down and by rolling over and tearing her burning clothing from her made a brave fight for her life but to no avail.

Her screams brought help but to late, when they carried her into the house every particle of clothing except about her joints was burned, her limbs being charred to her body, in fact there was not a spot on her except her face that was not burned.

All that loving parents and friends could do was done to make her last hours easy. By the use of powerful opiates she was rendered free from pain and she was perfectly conscious to the end. With a fortitude that was the wonder of all she accepted her fate and gave a concise description of the accident together with details of how she wished her children taken care of. She died at 2 o'clock Thursday morning.

Her husband had gone, just the day before to Excelsior Springs, Missouri to take treatment for rheumatism and it was sometime before he could be reached by wire.

Carry Josephine Ballman was born on her father's farm five miles south and west of St. Paul, January 12, 1873, died at her home September 15, 1904. Aged 31 years 8 months and 3 days.

She was married to D. A. Geil November 8, 1898, two children have been born to them, Lela aged 5 and Marion aged 3.

Mrs. Samuel Daddow and sister, Mrs. S. N. Sweetland, went to St. Paul Friday morning and attended the funeral which took place Friday afternoon at 3:30 o'clock.
