J. W. BURLEIGH, Ed. and Pub.

Congressman Kinkaid was here Tuesday looking for cracks in his political fences. He found none. Sherman county is all right, Judge. He will be elected dead easy, as the opposition have placed three or four candidates against him, not being able to center on any one.

Judge Wall will have a walk-away for the senate. The pops nominated a man named Hand of Kearney, an outspoken Watson man, which displeased the Parker democrats to such an extent that they have put up a man named Patton, of this county, living down near the Buffalo county line, as their candidate, making a three-cornered fight of it. Just why or how the Parker fellows picked out Patton, who is said to be a pop, and who used to be pop sheriff of this county, is not known.

The fusion candidate for governor, Geo. W. Berge, spoke here Monday evening of this week. Mr. Berge confined his remarks to state affairs entirely, in an endeavor to show why he should get there, and wanted all partisanism abandoned to that end. We feel that Mr. Berge did not convince many in the audience out to hear him. He was preceded in a few minutes' red-hot populist talk by Mr. Hand, populist candidate for the state senate.

School District No. 48.

Report for month ending Sept 30, with Madge Holmes as teacher and an enrollment of nine scholars which increased to seventeen: Thse whose average was above 90 per cent were Mable Calloway, Emma, Rosa, Johnie, Millie Myers, Eleanor Holmes. Those 90 or above in deportment were Clyde and Lloyd Salyards, Maggie and Ella Cochran, Maggie Gross, Roso Myer, Verda Salyards, Johnnie, Millie and Emma Myer and Eleanor Holmes. Total number tardy, 8; absent, 6; visitors, 7. Besides the regular work, current events are taken up every Monday and critic work Fridays. Anyone desirous of examining the work is welcome to come and do so at any time.

Balsora Items.

Messrs. Fred Sandh, Alfred Sandman and Carl Winberg attended the shooting contest at Loup City.

Everyone enjoyed the rain last week, except those who had not finished haying.

Alfred Sandman helped Frank Evans put up hay the first of the week.

The Balsora school has the most interesting base ball nine in the state, I believe. The champion players may look out for a challenge.

Omaha Bee's Color Magazine.

For real, genuine enterprise, the Omaha Bee leads the procession. It has just added new color magazine features to the Sunday Bee which compare favorably with the best New York and Chicago papers. It is certainly gratifying to know we have such an enterprising newspaper in the west, and it must be equally gratifying to the Bee to know it is recognized as the only really metropolitan paper published in this section. If you have not seen the new feature, buy a Bee next Sunday.
