For the second time, on last Thursday night, the coal box was broken into and a large quantity of coal taken. The directors seem to know where it went, and if it happens again, drastic steps may be taken to stop the pilfering. A hint to the thief should be sufficient. The Arcadia Champion give this good word for the company playing here: "The National Stock Co., a repertoire theatrical company, is holding the boards at Hastings three nights this week, commencing Thursday night and closing tomorrow night. Miner of Ravenna took charge of the Round Front barn last week and is now fairly down to business. He starts out right by becoming a regular reader of this paper and also asks the public through our columns for their patronage. He has one of the best stables in the west, with elegant turnouts, and will give as good service as can be found anywhere. We ask the readers of the Northwestern to remember the Round Front and Mr. Miner, when in want of choicest livery rigs.

E. G. Taylor was down to Aurora on a business trip last Friday. Jim Johansen has built a substantial brick cave at his residence. Thanks to C. J. Tracy for some of Uncle Sam's dough on subscription. Mrs. W. F. Mason visited at Aurora a few days last week, returning home Friday evening. The Ladies' Unity Club meets with Mrs. J. A. Angier, Friday, Nov. 18, at 2:30 p. m. Visitors' Day. There will be a dance given in the hall on the evening of the 21st, and a splendid time is guaranteed. J. O. Douglas has resigned his position with the Ravenna Creamery people and is denuding King Corn. The county board met Tuesday, first to canvass the election returns and then to transact regular routine county business. C. J. Larson gave us a pleasant call, last Tuesday. Charley wanted his paper hot off the press, to get the election news. A. P. Calley, M. H. Mead and R. H. Hill left for St. Louis, last Saturday, where they will put in a week visiting the exposition. The B. & M. and the U. P. are both offering one and one-third round trip rates for Thanksgiving for up to 200 miles distance. Mrs. A. O. Hendrickson of Grand Island was visiting Mrs. B. M. Gasteier and other friends here last week, returning home Saturday. Sim Criss gives it out solid that he is sole owner of the City Dray Line and has no connection with any other firm or parties whatsoever. See? Simpson Criss has bought out the Gilbert dray line and is doing good work for the patrons of his line. Simpson is a hard worker and will do work right. J. S. Casada has rented the former Carl Anderson farm, three miles north-east of town for the coming year. That will bring him seven miles nearer Loup City. Father Tracy, of Ghent, N. Y., who is here visiting his sons, C. J. and E. E. Tracy, gave us a pleasant call Tuesday. He will remain till he gets tired of visiting. A. W. Mason, from near Schaupp Siding, orders THE NORTHWESTERN to visit him regularly hereafter. Mr. Mason is a Roosevelt man through and through. District No. 10, in the Tracy neighborhood, had a basket social and fine program at their school house last Friday night. Some \$13.50 was netted for a new school library. Uncle Joe Pedler this week renews his own subscription to this paper, and also the subscriptions of his brothers, Samuel and John, at Eugenia and Flesherton, Ontario. C. J. Tracy goes to Lincoln, Monday, where he will be witness in the Young murder case that occurred on the State Fair grounds last fall, while he was chief of police of the Fair association. W. M. Engle is working on the new brick block. He is snugly housed for the winter in the Taylor house, in the northeast part of town. Mr. Engle is a new cash reader of this ever good. W. H. Gunn of Esmond, Ill., has our thanks for a renewal of his paper. Mr. Gunn was here during election and recorded his vote in Clay for Roosevelt and prosperity, and was jubilant over the result. Ike McDonald is suffering from a dislocated shoulder, caused by his horse falling with him Sunday. Dr. Long attended the injured member, but Ike will necessarily remain on the invalid list some time. The National Stock company, which opened at the opera house last night, is a warm member. The company does well and is composed of good people and worthy your patronage, judging by their first night. Patronize the "Days of the Week Bazaar" at Pilger's Opera House, Dec. 10th. Useful and ornamental articles on sale for each day of the week. Supper served from 5:30 to 8 o'clock. Be sure to leave your subscriptions at the Ladies' Home Journal Booth. A phone message was received last Friday from Sargent requesting Geo. H. Gibson to come to that place and assist at the funeral service in the Order of Odd Fellows in laying away a brother at that place. Mr. Gibson and wife went up Saturday evening, returning Monday morning. R. R. Beers, a member of Loup City lodge, also attended. Mr. Gibson reports the largest Odd Fellows funeral he ever attended. Becker Bros., of Grand Island, the big music firm of Central Nebraska, have opened a new music house in Loup City. It is only necessary to make this announcement to assure our people that we have one of the best music concerns in the state located in this city. See their adv. in another column, and be prepared to buy yourself a piano or other musical instrument, for you'll never get away from Henry, the resident brother, till you do.

The B. & M. railroad tax man arrived in Loup City last Thursday, and tendered Treasurer Sweetland \$9,299.12, in payment of \$12,683.95 taxes as charged up against that company for 1904, but Mr. Sweetland, with good judgment, refused to accept. The company appears to conclude that the increase in their values is not to their liking, so they take the plan of the values as certified by the state board for 1903, add 20 per cent to it, then compute their taxes from that value, using the different levies for 1904 as their basis of taxation. What will be the outcome is yet to be seen, but in our judgment they will pay the full amount in the end. We neglected numerous items of interest last week, but then it was election week, and nothing better could be expected, under the circumstances. Among the items neglected was the coming of Rev. Wold, the new Baptist minister and family; the lecture of Secretary Bailey, of the young Men's Christian Association at the Baptist church; the marriage of D. H. Harbaugh of Buffalo county to Miss Edith Collins of this county, on the 7th inst., and in fact items too numerous to mention. Forgive us this time and don't mention it; we feel bad enough over it. Dr. Kearns orders the Northwestern to visit his brother, H. W. Kearns at Vinton, Iowa, and his sister, Mrs. Etta Morford at Mason City, Neb. The good doctor and the editor have a mutual kindly feeling for each other, having the same birth place back in the fifties in the best town in Iowa, Vinton. Prof. Huffman remembers us financially this week. The professor is having his hand and heart full these days, with his school duties and Mrs. Huffman quite ill. However the good wife is convalescing nicely, and the professor is correspondingly happy. Mrs. Stella Henry, who has been teaching in Montana, arrived last Saturday on a visit to her parents, Mr. and Mrs. W. H. Knapp of Logan township. She will go east to perfect herself in her studies, after a fortnight's visit. Balsora Items. Several interesting news items of last week were not reported, because your correspondent had no way of sending them to town till it was too late for publication. The first in importance was the dedicatory services of the beautiful new Swedish Baptist church. Rev. Carlson and Rev. Holleen were present and assisted the pastor, Rev. Sandh, in the services, which were largely attended by both Swedes and Americans, sermons being preached in both languages. People took their dinners and a bounteous repast was served in the church parlor. Sunday evening three asked for the prayers of God's people. Monday night Rev. Carlson delivered an impressive sermon in Swede and Tuesday and Wednesday evenings, Rev. Holleen preached in Swede and in English. The Misses Sadie and Rhoda Whitman have been visiting at home since last week, but we haven't learned how long they expect to stay. Mr. Alfred and Miss Edith Malm visited friends in Dry Valley last week. Miss Gilbert visited with Mrs. John Fagen and family Saturday and Sunday and reports a most enjoyable time.
