STANFORD UNIVERSITY, ITS PRESIDENT AND MRS. LELAND STANFORD, WHO IS SUPPOSED TO HAVE BEEN POISONED AT HONOLULU.

Mrs. Jane Stanford, widow of Sena- | gan at their country place, Palo Alto. | nothing of business when she took up tor Leland Stanford, died in Honolulu | During the years which preceded Sen- | her life's task, but she applied herself February 28.

fore to murder Mrs. Stanford by in his latest days when he sat in a sity founded in her son's memory Kipling's first sea-serpent story fornia street, in San Francisco. It was ment in all his stirring, successful ca- the cause to which she devoted her stated that she had taken three drinks | reer. of the deadly mixture, but the poison had been used in such large quantities that it served as its own emetic. Mrs. medical aid was summoned.

The contents of her stomach and the water remaining in the bottle were analyzed and sufficient strychnine to have killed three persons was found. Mrs. Stanford first drank of the water on Jan. 14, and from that the story of the attempt to poison her was positively denied, persistent against the estate, declaring it was lialumors regarding the matter were

"Make Other People Happy" Motto of Dead Philanthropist.

Mrs. Leland Stanford was left an estate estimated at from \$30,000,000 to \$40,000,000. Under her husband's will she was in sole management of the great property.

With her husband she spent more than \$37,000,000 in building and supporting the Leland Stanford Jr. university at Palo Alto, Cal., as a memofit of the university.

This was her belief:
