The governor vetoed the anti-Christian Science bill, and the doctors are "bumping" him hard for his act.

Gov. Mickey has signed the biennial elections bill and the law will be passed up to the supreme court to test its constitutionality.

Mrs. Chadwick, the noted woman swindler, will have a nice little time of ten years in the pen to think over her past escapades.

Judge Willie G. Sears, ex-speaker of the house, and who took some two hundred dollars of the state's money for presiding over that body, which the attorney general has decided as unconstitutional, is in no hurry to "put it back," in fact, guess he won't. Willie made a good thing when he was speaker. He got his \$5 per day as member, \$3 per day for presiding over the house, and put his little son in as page to the speaker at \$3 per day, giving him \$11 per day during the session. The last two named amounts for speaker's salary and page to the speaker were unadulterated grafts. And yet this man is a presiding judge of the courts at present.

**Additional Locals.**  
A basket social will be given at the school house in Dist. No. 57, Friday evening, April 15th. Everybody cordially invited to come and bring their basket.

Chas. Guilford, a former resident of this county but now of Loup City, was in the city Tuesday on his way to the southwest part of the state. He expects to be back in a few days to visit a short time among old friends and relatives.—Aurora Sun.

The County Convention of the Modern Woodmen of America met in Loup City on Wednesday of this week, and by reason of the District Court being in session the convention was held over to 8 o'clock in the evening, at which time Geo. H. Gibson was elected to represent Sherman county at the state meeting which occurs at Columbus, Neb., on May 3d, 1905, and Henry Tangerman of Rockville, was elected alternate.

The coming of Mr. Sanford Dodge and his talented company of dramatic artists in Macbeth, Tuesday, April 11th, will be greeted with delight by all lovers of the drama. The name of Sanford Dodge is a synonym of dramatic excellence, as it has ever been connected with the highest class of dramatic work and this season his productions are superior to any he has ever before attempted. No other attraction touring the Northwest can afford to carry the high class artists engaged by Mr. Dodge, as no other actor has the confidence of the play going public in this territory to such an extent that they will give sufficient financial support to pay the immense salaries commanded by the artists who support Mr. Dodge this season.

**Balsora Items**  
We were sorry to learn that Miss Eva Callen was the victim of an accident on the way home from the graduating exercises last Wednesday evening. In going over a sliding road the buggy wheel broke and Miss Callen was hurt, but not seriously.  
The class reception at Mr. Landon's was a very pleasant affair. Everyone seemed bent on having and giving a good time. Such remarks as "That baccalaureate sermon was the best I ever heard," and "Wasn't Mr. Starr's address fine?" or "Mr. Hendrickson gave us an excellent talk, didn't he?" seemed to be the order of the evening.  
Wm. Nordstrom's team got into a barbed wire fence Thursday evening on the way to the reception at Mr. Landon's and his buggy was badly broken.

The Balsora class and teacher went to Mr. Draper's photo car at Arcadia and had their pictures taken, Thursday. We heard some complimentary remarks on the appearance of the class.  
Miss Gilbert visited Mrs. Fagen, Mrs. DeWitt and Mrs. Landon and families last week.

### Death of Mrs. Wm. Jeffrey.

On the 28th day of March occurred the death of Mrs. Wm. Jeffrey, at her home in Ashton, Sherman county, Nebraska, aged 58 years, 2 months and 20 days. The funeral occurred from the Presbyterian church at Farwell, where she was buried by the side of her mother in the cemetery at that place. Mrs. Jeffrey, whose maiden name was Mary Gordon, was born in Faraona county, Ireland, Jan. 8th, 1847. She immigrated to this country and to Nebraska in October, 1879. She was married to Wm. Jeffrey in February, 1880. She leaves a sorrowing husband, but has no children to survive her. She has one sister, Mrs. John Irvin, living near Farwell; a sister in Ireland, whose name we did not learn, and a brother living in Sacramento, Calif., Mr. John Gordon. We have not been informed of the circumstances of her fatal illness and subsequent death. The lady was most highly esteemed by those who knew her for her sterling qualities, and the bereaved husband and relatives have the deepest sympathy of all in this their hour of sorrow. Mr. Jeffrey desires us to express his heartfelt thanks to the kind friends who administered consolation and performed those acts of friendship and aid during the illness and subsequent death of his beloved companion.

A later account received gives the further information that Mrs. Jeffrey's death was caused by a complication of diseases, culminating in dropsy. She was married to Mr. Jeffrey at Grand Island, Feb. 3, 1880, and has since lived on a farm two miles east of Ashton. She was a consistent member of the Presbyterian church, and greatly esteemed by her wide circle of friends.

### Costs To Open Wrong Letters.

The authorities at Washington have fixed the penalty of \$200 fine on any person taking out of the postoffice mail other than their own. All postmasters are liable to make mistakes and get the mail in the wrong boxes, and the law says that people must examine their mail before leaving the office, and should they receive a piece not addressed to them, it must be returned at once. That it is the fault of the postmaster makes no difference. This law includes newspapers as well as first class mail. There is a class of curious people everywhere, and they are, as a rule, contemptibly curious about letters and other mail matter which they chance to get hold of. They will open all letters coming into their possession, and often when knowing full well they don't belong to them. They will, after reading the letters, write on the envelope, "opened by mistake," without signing their name, drop it back in the postoffice box at night or during the day when not observed. This class of curious individuals is warned to be careful in the future. If they open mail hereafter which does not belong to them, they must sign their name and state why they opened the same whether by accident or design.—Galesburg, Ill., Register.

### G. A. CURRY, Owner.

### Perhaps it's Worth Trying.

Death from eating corn stalks may be prevented by giving one pint of s-it containing three table-spoonfuls of turpentine dissolved in three pints of warm water and given in a drenching bottle. Even after the animal is down, and unable to walk, it can be relieved in thirty minutes and in the end permanently cured. After giving the drench, rub half a pint of turpentine on the animal just behind the shoulders on both sides, and then along the neck veins from the jaw to the brisket. This will promptly relax the nervous system. The salt will penetrate the dry husks in the stomach, while the turpentine entering the blood will counteract the nerve trouble produced by husks.—Exchange.

### Try It At Our Expense.

This offer may not appear again. There is no catch about it. If Mull's Grape Tonic does not positively cure Constipation you are out nothing as you may have the first bottle free. If it cures, which it will, tell others, that is all we ask. No remedy has ever before been known to cure Constipation permanently. Mull's Grape Tonic is not a physic. It is unlike anything you have ever used. It cures Constipation. If it did not, this offer would ruin us. The process is gradual but sure. You know from your own experience that physics, like Pills, Salts, Castor oil, Mineral waters, injections, etc., make you worse.

Where can Mull's Grape Tonic be had? Your druggist sells it. The \$1.00 bottle contains nearly three times the 50c. size, but if you will write today to Mull's Grape Tonic Co., 3d Ave., Rock Island, Ill., and give druggist's name, you will receive the first bottle free with full instructions. This gives us a chance to prove to you at our expense that it is a wonderful remedy and places you under no obligation to invest a penny. Only tell your friends about it. (No. 313.) mar16-05
