HEART RIGHT

When He Quit Coffee.

Life Insurance Companies will not insure a man suffering from heart trouble. The reason is obvious.

This is a serious matter to the busband or father who is solicitous for the future of his dear ones. Often the heart trouble is caused by an unexpected thing and can be corrected if taken in time and properly treated. A man in Colorado writes:

"I was a great coffee drinker for many years, and was not aware of the injurious effects of the habit till I became a practical invalid, suffering from heart trouble, indigestion and nervousness to an extent that made me wretchedly miserable myself and not the character of these severer a nuisance to those who witnessed my styles. sufferings.
