DA SUSPECTED BAD MAN

Held for Robbing Postoffice at Pleasanton.

Last Friday, about noon, Sheriff Williams received a phone message to arrest and hold a suspected robber of the bank, postoffice and a butcher shop at Pleasanton the night before. Starting south, he came across his man a few miles below town, who was making tracks for Loup City on foot, arrested him and brought him to town. Notifying the Pleasanton authorities of the arrest, they phoned the sheriff to let him go, as they did not have enough evidence to make a case. The sheriff then discharged his prisoner, first relieving him of a loaded revolver, taking out the cartridges and giving back the gun, and ordering him to leave the town and county at once or be fined for carrying concealed weapons. Within a half from the time the man was given his liberty, another phone message was received to hold the fellow as new evidence had been secured. At this, Sheriff Williams and Deputy Draper immediately started eastward, the direction taken by the suspect, coming upon him just this side of Schaupps. Ordering the man to halt, he broke for the canons, with the sheriff and deputy in hot pursuit, and was soon captured on pain of being peppered with hot stuff, remarking when giving up that if he had his gun loaded there would have been a little shooting match. Searching him, they failed to find his gun, which he claimed to have thrown away in the running, and which proved true by parties afterward finding the revolver in the canon. Arriving in town, the fellow, who claimed to hail from Alliance, and who said his name was Pat O'Brien, and his parents lived in Greeley county, was placed in jail to await identification, which was done the following morning by four men from Pleasanton, who positively identified him as the one wanted. The sheriff was then ordered to hold the suspect, awaiting the arrival of a postoffice inspector, who would be here to take charge of him at the first possible moment. In order to hold him, he was taken before the county judge and fined \$10 and costs for carrying concealed weapons, which holds him until this week Saturday, when he will be turned loose, unless the inspector has been in the meantime and takes charge of him. On Tuesday another man was up from Pleasanton, who positively identified the prisoner. The suspect is a young man of perhaps 30 years of age, of powerful physique, uncommunicative, rather surly disposition, and while at first was inclined to be obstreperous, has later quieted down and is quite well behaved. He is by far above the average man in intelligence and claims to have been a soldier in the Philippines during the Spanish-American war, is a wide traveler and seems well posted on all the important events of the day.

Notice is hereby given that by virtue of an order of sale issued out of the District Court of Sherman county, Nebraska, in a case wherein Arminius P. Culley is plaintiff, and Oliver S. Mason, Kansas National Loan Company, International Loan and Trust Company and D. S. Fletcher, first real name unknown, are defendants, upon a decree of foreclosure of a tax lien rendered by said court in favor of said plaintiff in the sum of \$288.89, bearing interest at seven per cent per annum, and costs taxed at the sum of \$68.99 and which sum is decreed to be a first and best lien upon the following described land, situate in Sherman county, Nebraska, to-wit: The southwest quarter of section-fourteen (14) in township sixteen (16) north of range fifteen (15) west of sixth principal meridian. I will on Thursday, the fourth day of January, 1906, at two o'clock in the afternoon of said day, at the south door of the court house in Loup City in said county of Sherman and state of Nebraska, sell said real estate at public auction to the highest bidder for cash, to satisfy the amount due on said decree, including interest, costs and accrued costs, and accruing costs.

(Last pub. Dec. 28)

It is intimated that Attorney General

Brown will ask for a rehearing of the Bartley bond case, if there is the least shadow of a chance to get such rehearing. Just count Norris Brown on the people's side every time, and pray that there may be some show for the court to guess again, and the next time to guess for the people instead of the bondsmen.

A person would think to read certain papers and comments, that there were but three prospective candidates for governor, and they were all from Valley county, viz: Wall, Fries and Mortensen. Don't you think it. There are others, and they hail from all over the state, and their name is Legion. In fact, Loup City and Sherman county may possibly present the successful man for the office of chief magistrate of this state and don't forget that thought.

The deposed U. S. Marshal for Nebraska, T. L. Mathews, saw the president Monday morning and left with the knowledge that he would not be reinstated. This was as expected, as Roosevelt seems never to take action unless he stands by such action. This is supposed to be a victory of Roosevelt over Schneider. Did you think of that, in connection with the dismissal? In fact the fault lies more in the ways of marshaling of the past few years, than with the doings of the deposed marshal, and the fault primarily lies heavier on Judge Munger and his court than on the marshaling, and the thought bears fruit that in the deposition of Mathews it is a gentle hint to Munger and others, as much as to Mathews himself. Are we not right?

In the deposition of Register Pettijohn and Receiver Towle from the Valentine land office, one can almost smell the scent of the arrant demagogery of certain leading politicians of that upper country. From what we can learn, nothing was wrong with the workings of the office in question, and the fault lies only, possibly, in the fact that some technical thing was done or not done that gave a "knocker" a chance to take advantage of the present upheaval of matters to wing the register and receiver. Until we know for a fact of some unknown doings of Jim Pettijohn and Major Towle beyond that which has come to light, we shall believe and continue to believe that President Roosevelt has been imposed upon by the scheming of designing politicians, of whom we have not a very sweet memory, to feather their own nests over the downfall of their superiors in honesty, republicanism and general loyalty to good government.
