Resolutions in Memoriam.

WHEREAS—Our Father in Heaven has summoned to his eternal home, our late worthy and esteemed fellow member, HENRY M. MATHWY, of Marmion Lodge III, Knights of Pythias, of Loup City, Nebraska, who was a member of our lodge in whose life was combined the knightly courtesy, steadfast friendship and fearless courage of a true and valiant knight whose love and devotion to Marmion Lodge III and our beloved order, Knights of Pythias, has been testified by years of faithful service. AND, WHEREAS—By the death of our beloved brother, Marmion Lodge tender to his widow and son their condolence and heartfelt sympathy in their great affliction, and that we tenderly and lovingly commend them to our heavenly Father.
Now therefore be it
Resolved: That we deplore the loss of our brother, HENRY M. MATHWY, with unfeigned sorrow and regret, and in the confident hope that his spirit is with those who have passed the dread ordeal of death, fought the good fight of a brave and valiant knight and is forever at rest in the great Castle Home, where good knights dwell forevermore.
Resolved: That Marmion Lodge tender to his widow and son their condolence and heartfelt sympathy in their great affliction, and that we tenderly and lovingly commend them to our heavenly Father.
We can but imperfectly understand the reason for this bereavement but we bow in submission to the will of all the earth, "who doeth all things well." And be it further
Resolved: That the Castle Hall of Marmion Lodge be draped with emblems of mourning for a period of thirty days, and a copy of these resolutions be placed upon the records of our lodge, a copy transmitted to the relatives of the deceased, and a copy turned to the LOUP CITY NORTHWESTERN and Times-Independent for publication.

Some sort of press bureau is pushing ex-Speaker House's contention for the coming gubernatorial election in the time of all that's good, he is the last one that should be named.

Another nice plum has been handed out, and this time one of the good Nebraska newspaper men is the happy recipient. Editor J. H. Ellis of the Alliance Times has been appointed receiver of the Alliance land office, and we are glad of it.

Omaha has launched a senatorial boom for Hon. John L. Webster. It is a cold day indeed when Omaha does not present a candidate for the senatorial toga. But then, what's the use? The state convention will designate Norris Brown for that exalted position, and all of Omaha's squirming will cut little ice.

A good-sized fight is on in the first congressional district between Pollard the present congressman, and those who want his place. One of the God-awful things laid up against his committee at his recent election was the expense account of \$42.12 for cigars, which is claimed by his opponents to be a violation of the corrupt practice act, which makes it unlawful to give away or treat to cigars, drinks or other refreshments, and Pollard's opponents propose to make him "smoke" for that.

It is claimed that John N. Baldwin, the power behind the throne in U. P. circles, has given it out that the railroads will control the coming state republican convention. We don't believe he has said anything of the kind, even if he thinks so. John N. is no fool, and that would be about the biggest fool remark that could be credited to him. And it is not among the probabilities either, as Norris Brown has about the clearest clinch on the nomination of any man since Elmer Burkett won in the same easy manner.
