Faily Reunion.

GORDON - The homecoming of Frank S. Parker from his sunny home in Tennessee, to enjoy a brief vacation beneath the paternal roof of Uncle "Josh" Parker of this place, was the signal for a home-gathering this week that was of more than local pride and interest. Letters were sent to absent ones far and near, bidding them hasten to the sheltering fold of the old home, to join in the festivities and feast on the fatted calf. Today the home circle was complete and nine stalwart sons and daughters answered to the family roll call. This is the first reunion of the family held in thirty years What is remarkable is the fact that in this large family of nine children, all grown to adult manhood and womanhood, there has never been a vacant chair and among more than thirty grandchildren and great-grandchildren there has been but one death.

Invitation to the Governor.

TECUMSEH-A buckskin invitation from the Royal Highlanders of Tecumseh was sent to Governor Mickey inviting him to be present at the rendition of the play of the White Buffalo that will be put on by the Highlanders at Tecumseh on August 3 and 4. The skin has been painted in imitation of the genuine Indian speakleaf. Translated, the invitation reads, "With the coming of the new moon, Teckaweeka or Kill-a-Bear-With-a-Stone invites Governor Mickey the great white to witness Teckaweeka take the test of a Sioux warrior. The door of the council chamber is always open to the great white chief."

Strawberry on Raspberry Cane. YORK-Several York county horticulturists are experimenting in bettering quality and size of various fruits and flowers. Father Harrison, the veteran nurseryman, known as the Burbank of Nebraska, has crossed and produced peonies that are marvels of beauty.

Mr. N. Kennedy has been experimenting and has produced a berry that he has named strawberry-raspberry because both in shape and it grows on a bush resembling a respherry cane. These plants commence to bear early and continue to bear for three months. They require little care.

Bones of Man on River Bank.

FALLS CITY-The skeleton and some water-soaked clothing, with a little money and a watch in the pockets, were all that was left of a laboring man who apparently was drowned last winter, when the remains were found lodged in the willows on the bank of the river.
