PROPOSED CONSTITUTION. AL AMENDMENT.

The following proposed amendment to the constitution of the State of Nebraska, as hereinafter set forth in full, is submitted to the electors of the State of Nebraska, to be vote upon at the general election to be held Tuesday, November 6, A. D 1906.

Be it Enacted by the Legislature of the State of Nebraska:

Life State of Nebraska:

Section 1. That at a general election for State and Legislative officers to be held on the Tuesday, succeeding the first Monday in Proposed and submitted to the electors of the State as an amendment to the constitution. Section 2. There shall be a State Pailway Commission, consisting of three members, who shall be first elected at the general election in 1906, whose terms of office, except those choses. commission. consisting of three members, who shall be first elected at the general election in 1906, whose terms of office, except those chosen at the first election under this provision, shall be six years, and whose compensation shall be fixed by the Legislature.

Of the three commissioners first elected, the one receiving the highest number of votes shall hold his office for six years, the next highest four years, and the lowest two years. The powers and duties of such commission shall include the regulation of rates, service and general control of common carriers as the legislature may provide by law. But in the absence of specific legislation, the commission shall exercise the powers and perform the duties enumerated in this provision.

Section 3. That at said election in the year 1906, on the ballot of each elector voting thereat, there shall be printed or written the words: "For Constitution Amendment, with reference to State Railway Commission." and "Against Constitutional Amendment, With Reference to State Railway Commission." And if, a majority of all votes cast at said election, shall be for such amendment, the same shall be deemed to be adopted.

L. A. Galusha, secretary of state of the state.

for such amendment, the same shall be deemed to be adopted.

I, A. Galusha, secretary of state of the state of Mebraska, do hereby certify that the foregoing proposed amendment to the Constitution of the State of Nebraska is a true and correct copy of the original enrolled and engrossed bill, as passed by the Twenty-ninth session of the legislature of the State of Nebraska, as appears from said original bill on file in this office, and that said proposed amendment is submitted to the qualified voters of the state of Nebraska for their adoption or rejection at the general election to be held on Tuesday, the 6th day of November, A. D. 1906.

In testimony whereof, I have hereunto set my hand and affixed the great seal of the state of Nebraska.

School Savings Banks. The school savings bank system which has been put in operation in many places in New York State is now declared to be a violation of the banking act. The system was started by J. W. Thiry, who brought the idea from Europe. The plan is to induce children to save their pennies and bring them to their teacher, who places them in a bank. As the plan is probably that laws will be amended to admit of its continuance.
