Republican Ticket.

- For United States Senator—Norris Brown
For Governor—George L. Sheldon.
For Lieutenant Governor—M. R. Hopewell
For Railroad Commissioners—H. J. Winnett, Robert Cowell, A. J. Williams
For Secretary of State—George Junkin
For Auditor—Ed. M. Seale, Jr.
For Superintendent of Public Instruction—Jasper L. McBrien
For Treasurer—Lawson G. Brian
For Attorney General—Wm. T. Thompson
For Land Commissioner—Henry M. Eaton
For Congress, Sixth District—Moses P. Kinkaid
For State Senator—R. M. Thomson
For Representative—Carle T. McKinnie
For County Attorney—Robert P. Starr

The supreme court last Friday denied a rehearing in the Haddix murder case. Support the Republican ticket. It is clean and worthy from governor on down to road overseers. You can endorse every one heartily.

We have faith to believe that with the heavy burden of G. H. Gibson's tacit support, Carle T. McKinnie will be elected to the office of representative this fall, not by reason of such support, but in spite of it.

The populists and democrats seem to have had serious difficulties in securing a candidate for this senatorial district. They met at Ravenna last Saturday and after casting their lines in various waters managed to land a candidate who would stand in the person of Mr. J. E. Johnson of Kearney, whoever he is. Did you ever hear of him?

A practical joker claims Gibson is several months ahead of President Roosevelt in the adoption of the "reform" spelling. But whereas Roosevelt has only accepted some three hundred word changes, Gibson changes the orthography of the entire English language. If Josh Billings were alive he would speedily die of envy, or at least present the belt to "Gibson."

Notice was received at the state executive office at Lincoln last Saturday of an additional allowance, amounting to \$9,453, from the United States government, to pay soldiers of the Nebraska volunteer regiments in the Spanish-American war for a short interval of time between the dates of their enlistment and their being mustered in. It is being disbursed from the adjutant general's office at Washington. This is the fourth installment of such moneys coming to Nebraska men. Loup City and Sherman county have a number of those entitled to a portion of this money.

In G. H. Gibson's personal hatred for J. S. Pedler and W. R. Mellor, any friend of these gentlemen must necessarily come under the ban of his small nature. In our candidate for county attorney, R. P. Starr, is this meanness exemplified to an unwarranted extent. He even resorts to malicious fabrications to help him out in his evil mindedness, and continually puts into words utterances never emanating from Mr. Starr. Just what he expects to accomplish is the defeat of the republican candidate for county attorney, but what he will accomplish by his hellishness will be to place himself before the public in his true light as a foolish utterer of untruths, but the defeat of Mr. Starr he will not be able to accomplish.

If one Gibson, who by the grace of the republican party once held the office of county clerk, and who disgraced himself and the party by his actions in office, will turn his attention to explaining, if he can, just why he placed a half-mill levy on the taxpayers of this county, instead of obeying the mandates of the state board, and why he took tax off the railroads and placed extra burdens of taxation upon a certain per cent of the taxpayers, as shown in J. S. Pedler's article in the Northwestern last week, instead of venting his spleen upon R. P. Starr, our candidate for county attorney, and spitting out his spite upon private citizens who are not issues before the public, he will confer a favor upon the taxpayers at large, and give valuable information to those of the property holders of Sherman county who have been gouged by his inanity.

R. P. Starr returned from Broken Bow last Thursday evening, reporting having had a most pleasant time at the recent session of the Brotherhood of America in that city. He compliments the people of Broken Bow as a most hospitable people and who made the about four hundred visiting members of the order most cordially welcome and provided them with a grand banquet. Mr. Starr was the presiding officer of the session, and the papers of Broken Bow also give him a handsome compliment over his felicitous response to the address of welcome. Mr. Starr was made one of the four delegates to the national session of the Brotherhood to be held at Omaha later. We are pleased to note the growing public reputation of the next county attorney of Sherman county.

Quite a change in the service on the Union Pacific occurred Monday. The much talked of Motor cars commenced their work on Monday morning, leaving here at 7:10 a. m., returning in the evening at 6:10. The mixed train comes in at 3 p. m., leaving again at 3:30. This makes a transfer of the train crew to St. Paul. By this change in train service, we feel to get our eastern mail till 3 p. m., instead of 12 m. as formerly, providing the mixed train is on time, but on Monday the mail did not get here till supper time, making a delay of five or six hours. There is a long and loud wail from our business men in consequence, and justly, too, and Tuesday morning several complaints were sent in to the postmaster general over the extremely poor mail service inaugurated, and it is believed the government will not stand for such work, and that the road will have to give better mail facilities.

The Nebraska Experiment Station has just issued Bulletin 93, which covers the results of two experiments. Experiment I is entitled "Roughness supplementary to corn for two-year-old steers." This test, was undertaken for the purpose of comparing alfalfa prairie hay, and corn stover, each fed singly and in combination, the grain being in every case snapped corn. Experiment II furnishes a comparison of wheat bran, oil-meal, cotton-seed meal, and alfalfa as sources of protein when fed with shelled corn and prairie hay. The bulletin may be obtained upon writing to the Nebraska Experiment Station, Lincoln, Neb., for Bulletin 93.

PROPOSED CONSTITUTIONAL AMENDMENT.

The following proposed amendment to the constitution of the State of Nebraska, as hereinafter set forth in full, is submitted to the electors of the State of Nebraska, to be voted upon at the general election to be held Tuesday, November 6, A. D. 1906.

Be it Enacted by the Legislature of the State of Nebraska:
Section 1. That at a general election for State and Legislative officers to be held on Tuesday, succeeding the first Monday in November, 1906, the following provision be proposed and submitted to the electors of the State as an amendment to the constitution.

Section 2. There shall be a State Railway Commission, consisting of three members, who shall be first elected at the general election in 1906, whose terms of office, except those chosen at the first election under this provision, shall be six years, and whose compensation shall be fixed by the Legislature.
Of the three commissioners first elected, the one receiving the highest number of votes, shall hold his office for six years, the next highest four years, and the lowest two years. The powers and duties of such commission shall include the regulation of rates, service and general control of common carriers as the legislature may provide by law. But in the absence of specific legislation, the commission shall exercise the powers and perform the duties enumerated in this provision.

Section 3. That at said election in the year 1906, on the ballot of each elector voting thereat, there shall be printed or written the words: "For Constitution Amendment, with reference to State Railway Commission," and "Against Constitutional Amendment, With Reference to State Railway Commission." And if a majority of all votes cast at said election, shall be in favor of the amendment, the same shall be deemed adopted.

I, A. Galusha, secretary of state of the State of Nebraska, do hereby certify that the foregoing proposed amendment to the constitution of the State of Nebraska is a true and correct copy of the original enrolled and engrossed bill, as passed by the Twenty-ninth session of the legislature of the State of Nebraska, as appears from said original bill on file in this office, and that said proposed amendment is submitted to the qualified voters of the State of Nebraska for their adoption or rejection at the general election to be held on Tuesday, the 6th day of November, A. D. 1906.

In testimony whereof, I have hereunto set my hand and affixed the great seal of the State of Nebraska, this 24th day of July, in the year of our Lord One Thousand Nine Hundred and Six, of the Independence of the United States the One Hundred and Thirty-second, and of this State the Fortieth.
