Hand Shot to Pieces.

Mike Chioekoun, a young Polish boy who has been working for S. F. Reynolds, had his right hand shot to pieces and his side punctured by a few stray pellets, Tuesday forenoon, the results of the careless handling of a shot gun. The boy was at the slaughter house and was about to return to town, when he picked up the gun to place it on a hayrack, and with his right hand over the muzzle and his left farther up the barrel, gave it a pitch forward when the trigger struck on the edge of the rack discharging the load the contents tearing away the lower part of the hand and also entering his side. He was brought to town and taken to his home, where Drs. Kearns and Main dressed his wounds and he is resting as easy as possible under the circumstances.
