SCOFFS AT TALK OF WAR

Japan Wants Only Peace and Commerce-Ohioan Refuses to Discuss the Presidential

New York.-William H. Taft, secreary of war, returned Friday from his trip around the world, bringing re-newed assurance of Japan's friendli-ness toward the United States, but declining to say anything with respect to the political situation in this coun-

He said that he had been too long out of intimate touch with political affairs at home to discuss them in any way. One of Mr. Taft's interviewers had the temerity to ask: "Well, secretary, tell us who is your choice for

Amid general laughter, in which he heartily joined, the secretary replied: "I guess I will have to leave that to Mr. Taft left for Washington on an

action by declaring he had been told by Mr. Booher's colleague, Mr. Lloyd of Missouri, that the committee asearly afternoon train, saying that acsignment would be satisfactory to Mr. tioned the truth of the statement, and after the failure of an effort on his part to transfer the scene of con-

ent would keep his nose to the official grindstone for some time to come,

talk of possible war with Japan," de-clared the secretary. "Japan doesn't desire war with us and we certainly do not desire war with Japan. If there was any war spirit anywhere in Japan, I failed to find the slightest note of it. Everywhere there was talk of con-tinued peace. I speak very confidently about this. Our trade relations with Japan are extensive and constantly growing. Japan's exports amount annually to about \$160,000,000, of which we take about one-third. The exports consist largely of mattings, lace goods, embroideries and other fancy work, in the production of which many people are interested. We in turn ship vast quantities of flour, oil and such comodities to Japan. This sort of trade

is a great pacificator." "What about the Pacific fleet?" "The sailing must have been a mag-nificent sight. We have fine ships and a fine personnel, and as long as the Pacific ocean belongs to us as much as to anybody else, I see no rea-son why we should not send our ships there on a practice cruise. The Japan-ese are too intelligent and high-minded to attribute any false motive to the
