TWO CURES OF ECZEMA

Baby Had Severe Attack-Grandfather Suffered Torments with It-Owe Recovery to Cuticura.

"In 1884 my grandson, a babe, had an attack of eczema, and after trying the doctors to the extent of heavy bills and an increase of the disease and suffering, I recommended Cuticura and in a few weeks the child was well. He is to-day a strong man and absolutely free from the disease. A few years ago I contracted eczema, and became an intense sufferer. A whole winter passed without once having on shoes, nearly from the knees to the toes being covered with virulent sores. I tried many doctors to no purpose. Then I procured the Cuticura Remedies and found immediate improvement and final cure. M. W. LaRue, 845 Seventh St., Louisville Ky. Apr. 23 and May 14 '07'.

RAILROAD MAN

Didn't Like Being Starved.

A man running on a railroad has to be in good condition all the time or he is liable to do harm to himself and others. A clear head is necessary to run a

locomotive or conduct a train. Even a railroad man's appetite and digestion are matters of importance, as the clear brain and steady hand result from the healthy appetite followed by the proper digestion of food. "For the past five years," writes a

railroader, "I have been constantly croubled with indigestion. Every doctor I consulted seemed to want to starve me to death. First I was dieted on warm water and toast until I was almost starved; then, when they would let me eat, the indigestion would be right back again.

"Only temporary relief came from remedies, and I tried about all of them I saw advertised. About three months ago a friend advised me to try Grape-Nuts food. The very first day I noticed that my appetite was satisfied. which had not been the case before, that I can remember.

"In a week, I believe, I had more energy than ever before in my life. I not had a touch of indigestion since I have been eating Grape-Nuts. When my wife saw how much good this food was doing me she thought she would try it awhile. We believe the discoverer of Grape-Nuts found the 'Per-
