out interference. here over the murder of an Italian tuted. The effect would be to put missionary in Tripoli and the persegram of the remainder of the session the opening of the surplus and unalnatives who have sold land to Italians, but the present action of the Italian government is based primarily on the postoffice question. With regard to this, however, the Turkish ambassador in Rome has pointed out in an interview that his government has in no instance granted to the countries in question such a privilege, although it has "tolerated" the postoffice which

they have maintained. For years it has been felt in government circles in Rome that Turkey has been taking advantage of the international situation to act in a high-handed manner toward Italians, showing but little respect for Italian rights. This government, it is stated, has been indulgent, not wishing to cause complications which might endanger the accord of the powers with regard ably will pass that measure. to the Ottoman or the Balkan prob-

In addition, there has been much opposition on the part of Turkey to with the house leadership, and that A strip of territory immediately all peaceful Italian initiative in Triopen postoffices in Turkish territory.

Conditions Bad in Hayti.

Port au Prince, Hayu.-While there have been many arrests of natives suspected of sympathy with the late revolution and political prisoners continue to be brought in the batches from interior points, there have been no more public shootings here. Indeed the government denies that any more executions have taken place. This, however, is incredible, in view of the fact that many persons are known to have been dragged from the western portion of the present their beds at night and that all trace

Recruits Wanted for Navy. Washington.-Anticipating able action by congress on the proposition for 6,000 additional men for the navy, of whom 3,000 may be obtained prior to July 1, instructions have been given by the bureau of navigation to resume recruiting which was suspended some weeks ago, at which time the full quota had been attained. The department is anxious to take advantage of the prevailing willingness of young men to enlist in the navy and will do a good deal of advertising to secure them.

Will Black List Congressmen.

Washington.-Resolutions calling on congress to enact legislation in which organized labor is interested were adopted at a mass meeting at the Columbia theater. These resolutions declare that those in congress who vote against the measures demanded by labor will be placed in the "black list" and every effort be made to prevent their success in the politi-
