A Timely Notice From The Council Bluffs Remedy Co.

On account of the method that is being practiced by unscrupulous competition, we hereby challenge any Stock Food or Remedy Company in the County to make a test with us. We will go into any herd of hogs, and cut out 20 head of the culls, and will then give our competitor the privilege of selecting 10 best out of the lot, we will take the remaining 10 head and guarantee to produce as much fat with 8 bushels of corn as you or he can with 10 bushels, or lose \$200.00 in ten weeks test.

Gentlemen, this means business, if you have what you claim, the same goods, only under a different brand, come out and prove it to the farmer.

We guarantee to save 90 per cent of any herd we treat, or the goods cost you absolutely nothing. Gentlemen, can you afford to be without this protection, when the Government reports show that the loss of hogs ed her uncle. Frank Hendrickson and in this state alone amounts to more than a million dollars annually? Do you want to help make up this loss? Certainly not. Then let us protect you.

of corn as you can with 10, we immediately become a benefactor to you, by increasing the earning power of the corn. Besides that we protect you against the terrible death loss.

We have an honest medicine of genuine merit, it cures when cure is possible. While you are growing hogs you have but one object in view that of making money, and when we stand ready to go into a 10 weeks test, backed up with a guarantee of Two Hundred Dollars, deposited in any bank, that our Remedy will do as claimed, it certainly not be that the contract of the c tainly proves that we have got value in our goods, and you cannot afford to be without them
