The Glorious Fourth will be celebrated in Loup City this year on Monday, July 5th, at Jenner's Park. Jenner Bros are making extensive preparations for one of the biggest celebrations ever held in Loup City. Promises are made that Arcadia and towns west will come down en masse to help make it the biggest day ever in Loup City. The Park management will have the hearty co-operation of the business men and citizens of Loup City, who will aid to the fullest extent the Jenners in carrying forward an extensive program for day and night, that will beat anything ever given in this city. The surrounding country will all be here. Ashton will have its celebration on Sunday, and Monday will not leave a corporal's guard at home, but all come up to Loup City. Old Carnival days will not be in it with the Big Day on the Fifth of July in Loup City this year. Jenners are preparing besides a fine illumination display of fireworks, the like never before seen in this part of the country. Tell everybody, and let no one escape the news that Monday, July 5th, will be the great day and never to be forgotten in the history of Loup City celebrations. Further and clearer particulars from week to week.

The Loup City-Ravenna base ball game on the home grounds last Thursday afternoon was a veritable slaughter of the innocents, Loup City playing football with Ravenna, winning by an easy score of 15 to 5. In one inning alone, Loup City played easy and walked around the diamond with eight scores to her credit. Why don't Ravenna send over base ball players instead of infant muffers?

### Presbyterian Bulletin

Next Sunday morning the Pastor's subject will be "Life and Service." In the evening he will speak on "How the Little Dog's Illustrated a Great Faith."

The topic for C. E. meeting is "The Hill Difficulty." Leader, Archie Kearns. With your help this can be a very profitable service.

The Industrial Society will give a Kensington next Thursday afternoon, June 24, at the home of Mrs. Zimmerman.

The opening day at Jenner's Park last Thursday, June 10th, proved a very successful affair, though the day opening gloomy and cloudy kept large numbers from attending for fear of rain. However, the day was ideal for comfort, keeping Old Sol shaded from view and making the day on the grounds most comfortable. The Ashton cornet band, and by the way a very good one, rendered acceptable music, the amusements and games in full blast and the large crowd in gala attire and the happiest mood. The most notable event of the day in the amusement line, was the basket ball game between Loup City high school team and Litchfield lasses, which was won by the former by a score of 43 to 7. The high jump contest was won by Miner of Ravenna at 5 feet and 1 inch, with Claude Burt of Wiggle Creek a close second at 5 feet. Other amusements, appropriate to the day, were pulled off, pleasing to the crowd. The pavilion was crowded with the lovers of the dance, who made merry till long past the hour of midnight. It is always a fact that when any amusement or a park day is scheduled by Jenner Bros, a good time is bound to result and last Thursday was no exception. Many new features have been added and each year sees the park steadily growing to be the best in the state.

Lawrence Lofholm and Tenus Biemond returned last Saturday evening from their trip to the Seattle exposition. Lawrence tells some ferocious stories of the hold-up conditions at Seattle and says a bed cannot be obtained at less than \$2 per night, while it costs anywhere near a small fortune for a meal. In the W. C. T. U. dining rooms, for instance, where they are wont to serve meals at 15 to 25c, the boys paid \$1.20 each for a very ordinary dinner, and this was but an example of the instances of graft practiced everywhere. If this is chronic at Seattle it will have a tendency to keep many at home, who otherwise would like to visit the great Yukon-Seattle Expo.
