Hit by Preacher

Lincoln Minister Shoots the Sensational Evangelist Full of Hot Stuff

The methods of some of the modern evangeligts were scathingly referred to by Rev. C. H. Yatman in an address on "Present Day Problems for in the state election Monday by a the Preacher," delivered before the vote nearing the 20,000 mark. It was one of the hottest contested fights in the history of the state.

Lincoln for some weeks. "In evangelism," he said, "there mobile as "a large iron and rubber has come the spectacular, displacing contrivance for transforming gasoline the spiritual. Crowds and cards into speed, luxury, excitement and count far more than converts. The obituaries. It consists of a handsome worst form of lying is about the leather upholstered carriage body number of conversions. Parades, mounted on agizzard full of machine- newspaper notoriety, sale of hymn ry, suffering from various ailments. books, singing senseless songs and form of transportation known. It unmistakable greed for gold, that is can transport seven people to the pure graft, have all brought the gospolice station, the bankruptcy court pel into disrepute with thinking pel into disrepute with thinking

people and the masses. "Methods in revival meetings, that Scripture truth twisted until its meaning is made to fit a fool are all fully employed-employed in plain prevalant now, and it is the duty of to quit. ministers called of God, to both deny

In opening Mr. Yatman, speaking thus not only the loss of property, from Psalm xi, "if the foundations be said that preachers, who are just like that they were not privileged to em- other people, need the same tonic; mixed with dynamite." The problem as he stated it, is:

"Alas!! The aim of the present day church is more ethical and social rather than devotional aud spiritual, hence loss of power.

"She seeks to 'reform' men, rather than 'regenerate' them.

"Emphasis is laid on 'doing something' more than on 'being something' "Her vision is first 'Outward' and not 'Upward.' The law of Pentecost is broken.

"It is not 'be ye holy' but 'be ye happy.' 'The emphasis of church life is to hear a man preach, instead of wor-

he needs in message. "It's 'pay' instead of 'pray,' gold

counts more than God. "The penuriousness of the people cost of but 3½ cents per pound, even when corn is high in price. With hogs bringing better than 87 per hunto their pastor, and their unfair critidred on our home markets it doesn't ministry and defeat his purpose. take much figuring to find that the farmers of Nebraska are not likely to "The church is sociological rather

than theological. There can be no genuine revivals apart from sound doctrine. Neither strong christian character, in church or nation. "Evolution by education, is the Hostetler presiding. Court Reporter watchword, above revolution by sal-

> tell him 'begone.' "Sanctity has given way to sociability. Many churches are successful clubs, hardly that. God's house is

not a soup kitchen or concert hall. "The evangelist who can make ways to keep up with his whirlwind will make them weep for their sins them laugh is wanted above one who and truly repent.

"The 'Fatherhood of God' in redemption, and 'Brotherhood of Man' "The unripe thinking and unproven

declarations of so-called scientists, riper scholarship will prove them absolutely false. This is the history of through with the matters in hand higher universities of today. Constructive criticism is good, destructive criticism is devilish.

"The 'divineness of Jesus' supplants his dietyship and he is 'example and

"The Bible is symbolic, and not historic and unauthorative: it came by the Holy Ghost, in inspiration.

"Hell is but a metaphor and its

"Worldliness, like a flood, has swept through the church and left it anemic in some cities quite dead. Pagan christianity is worse than heathen idolatry.

"National problems, like tapital and labor, civic righteousness and Sherman County

Fred Johnson sold some hogs to V. L. Wescott and delivered them Monday. Why don't several townships go in

together and buy an engine to grade

spring so an engine could be used as power instead of horses, but carrier has failed to see it attached to an engine all summer. The best piece of road work on route 1 last year was for an engine, and when the front grader wheel dropped into a hole letting the point of the grader in so deep that it broke the crook neck castings on the grader, which proved that it was too ligth, so Webster township ordered one extra heavy last spring. Milo Gilbert was road overseer at the time this work was done and had hold of the levers of the machine and Zwink Bros. were running the engine. Ask them what they think about it? You can do three miles a day with an engine and grader where you can only do one mile a day with horses. In the morning you have to wait on some one who is one-half or an hour late and then next day you probably have several new teams, and before you get them stirring stories of adventure and hero- used to pulling together there will be strange encounter with wild creatures
—man or beast.

Many of these stories are true as to facts, and only disguised as to names and places. A score or more of such stories will be published during 1910 in addition to nearly 200 others—250 good stories in all, and no two alike. And this is not counting the serial stories which it is believed will be considered by old Companion has ever published.

Every new subscriber will find it of

With an engine you need only three men and with one pull of the lever deverything is working smoothly and at the top of the hill there is no tired thorses either. In the hot summer days where the sweat rolls off the horses and you have to stop to give them their breath, an engine you need only three men and with one pull of the lever everything is working smoothly and at the top of the hill there is no tired horses either.
