**Will Be Missed.**  
 Rev. Joseph James preached his farewell sermon at the Baptist church last Sunday evening to a church well filled, the Presbyterians holding no services that the attendants might have the privilege of hearing Father James. The sermon was a good one and received the earnest sanction of all present. On Tuesday morning, Mr. and Mrs. James left for Shelton, where they have purchased property and will make their home in the future. Father James having been called to the pastorate of the Baptist church there. Our people, as the Northwestern has heretofore said, regret the going of these two worthy people from our midst, but will follow them with the very best wishes for their successful and happy future. At a meeting of the ministerial society here a few days' since, the following resolution was passed:  
 Whereas: In the termination of the administration of the Rev. Joseph James as pastor of the Baptist church, he is removed from us to the pastorate of the Baptist church at Shelton, Nebraska.  
 Therefore Resolved: That we, the pastors who have been associated with him in the work of the Ministerial Association of Loup City, of which he has been the honored president, regret his going from our town and that we commend him as a Christian brother to the people whom he is to serve and to the pastors of Shelton with whom he is to labor, and that we pray the richest benediction from Heaven upon his labors in their midst.

 W. C. HARPER.

**It to 8--Ouch!**  
 The first big game of the season was pulled off Tuesday afternoon of this week at Jenner's Ball Park, and was between Loup City and Arcadia. The result was disastrous for Loup City, the Arcadians pouncing out seven runs to the eight scored by the home team. The game started out in fine shape for Loup City and up to the sixth seemed a walkaway, when Arcadia gathered steam and walked right over our home team, closing with the result as above. Arcadia had a fine battery, while Loup City was manifestly lame in that regard. However, that is to be remedied in the near future, when the home team proposes to simply slaughter any and all teams with whom they play. Next Tuesday will be the second game of the season at Jenner's Park and will be between Loup City and Litchfield, when we hope to record a better result.

Rev. McEwen was much worried last night (May 10th). He received word from a man named Williams of Loup City to meet him at the train going west about 9:30 in the evening, and he said that there were two men in Loup City whom he knew by the name of Williams. One was the sheriff and the other was a banker. Just which one, was what was worrying him.—Kearney Times.
