Your last chance to get a nice little farm near town—70 acres—just across the west bridge, one mile out, \$2500. Archie O. Zimmerman.  
Miss Abi Beynon of our schools received a visit Sunday from her sister, who has been teaching at Mason City and who left Monday for her home at Wymore, this state.  
Miss Carrie Douglass left Monday morning to visit a sister at Red Oak, Iowa, and from there to Detroit, Mich., the home of her father and also her brother, John O. Douglass.  
Mrs. Geo. Keeler left yesterday for Stanton, to attend Memorial Day services, and from there to Omaha, where she will be joined by Miss Pearl Keeler, who will return home with her after a few weeks' visit at LaPorte, Iowa.  
Mrs. S. Foss returned home from Stockham last Friday, whither she had been called by a misunderstood phone message of her mother's illness, it being a sister instead. The mother returned with her for a protracted visit.  
The Burlington passenger going east, after May 26th, will leave Loup City about two hours later. This will please our people who find 7 o'clock early to get baggage, cream and express ready and many who drive here to take that train. See time card next week.  
Miss Lula Lee closed her school in No. 15 last Friday, over one hundred patrons and friends of the school being in attendance. A ball game between Cobb Creek and Moon Creek, in which the latter came out best with a heavy score, and a nice picnic dinner completed a general good time.  
Will Zimmerman came up from Omaha last Saturday evening, returning Tuesday evening. Will says if his friends don't cease worrying over his unfortunate bachelor existence, he may be forced to end their suspense and his unhappy condition by strenuous action along the lines above mentioned.

We are to have the first real tent show of the season, Kirsch's World's Greatest Dramatic Company. They carry a big band and Metropolitan Orchestra, giving a concert on the main street at night. **VAUDEVILLE VAUDEVILLE**  
and the very best of vaudeville, too—After the conclusion of the performance of King of the Cowpunchers, Mr. Kirsch has engaged for your delectation a superb coterie of celebrities. Each and every one selected for his or her merit as a fun producer. The ladies and gentlemen appearing in the concert are engaged for that express purpose and take no part whatever in the dramatic event of the evening. Their principal number is a spectacular comic opera extravaganza, elaborately staged and magnificently costumed, and presented on a scale of grandeur never before offered outside of a metropolitan city. Startling scenes, bewildering ballet, grand chorus of famous voices and a big show for a little price. Stay for the concert with KIRSCH'S King of the Cowpunchers, Tuesday evening, May 31.

It is ideal for suits, coats, evening and automobile wraps, evening gowns, shirt waists and children's dresses, and for every purpose where real silk is desirable. Price, 35c per yard. For sale by Loup City Merc. Co.

Mrs. Anna Dinsdale was up from Palmer last Friday, visiting at the home of Jas. Johansen. She was accompanied by a brother, Dr. Thos. Greenwood, of Nottingham, England, second physician in the great asylum in that city, a physician of national repute in that country, and whom she had not seen for 28 years. Dr. Greenwood arrived from the Mother country about the last of April and intends returning the first part of June. The doctor, like the majority of stay-at-home English gentry, acknowledges he had a very erroneous conception of the United States, expecting to find this part of the country given over to the cowboy and Indian and in a state of semi-civilization, and expressed his amazement to find all his theories set at naught and the people up-to-date in everything. We acknowledge a pleasant call from the genial doctor, who has but one serious failing—that he is traveling through life in a state of single blessedness. In that he is certainly inexcusable.

### Class Play Good.

The class play given by the seniors of our high school on Tuesday and Wednesday evenings fully sustained the Northwestern's prophecy of last week that it would be one of the best ever given by our home talent. Time and space this week will not allow of extended comment on the excellency of the cast, but each character proved the wisdom of the Northwestern's prediction of the talent of the class and the excellency of the portrayal of the individuality of each particular part. Our people gave the class the very best attendance both nights, and the enthusiastic reception of the play and players spoke volumes in praise of the production and the way it was staged and portrayed. All honor to the class of 1910. Splendid music was furnished by the Ashton orchestra.

### Ha! Ha!! 7 to 5

Tuesday Loup City redeemed itself in base ball annals for the spanking it received from the Arcadia boys, when they met Litchfield at Jenner's Park on the above day, and after allowing that bunch to get gloriously happy over four scores in the first inning, refused to allow them but one more, in the seventh, and sent them home completely demoralized. Loup City was asleep and dreaming at the start, but the jolt they received in the first started them looking for Halley's comet and they came back to earth with two scores to spare over the Litchfield fellows, the result winding up with the score standing 7 to 5 in favor of our "female" angels of the diamond. Jack Rightenour of the Monitor was taken home packed in ice to make him keep after the mortifying process.

Mrs. J. A. Angier left Monday morning for an extended visit with a sister at Rochester, Minn.  
There will be a meeting in the courthouse yard at 10:30 a. m. on Decoration Day, when a report will be given of work done at the cemetery, money collected and paid out for fence, etc. Messrs. Nightingale and Long will make short addresses. By order of president of Unity Club and president Cemetery Aid.

The Methodist church was crowded to its utmost capacity last Sunday evening on the occasion of the Baccalaureate sermon before the class of 1910. Owing to the absence of Rev. Harper in Omaha, the services of Rev. Shepherd, Presbyterian pastor at Litchfield, were secured, and he delivered a very able and interesting address, which was highly appreciated by all.

Mr. H. A. Watts of Broken Bow has leased the Dechow opera house for one year from June 1st, and will put on a vaudeville and moving picture show each evening during the summer months. Mr. Watts will equip the house with an electric lighting plant or get power from the mill. The gentleman is in the piano business at Broken Bow and we understand will open a piano house in Loup City, and will move his family here in the near future. Our people will accord them a warm welcome to our good city.

We have received a copy of the Bellevue College Bulletin for April, in which are several items of interest to Loup City people. One of these is the selection of Raymond Kearns of this city as Assistant Chemist by the University of Nebraska. Mr. Kearns is a graduate of the University of Nebraska and is a worthy Loup City boy. By the roll of students we see the name of Leslie Sweetland among the seniors who graduate this year, and the names of Raymond Kearns and Miss Frances Sweetland among the juniors.

A grapevine dispatch to the Northwestern tells of a rather severe water soak, with imprudent bathing accompaniment in the Loup river, the front end of this week, which occurred to an attaché of one of our banking institutions and a former resident of Aurora, who is now a Loup City man. It seems the two unfortunate gentlemen went over west of the river after some horses and on their return attempted to ford the stream. In doing so the horses floundered in the sand and swirl of the current, compelling the riders to dismount in mid-channel and engage in strenuous work to get themselves and the equines out of the mix-up. A box of good cigars presented to the Northwestern may have a persuasive effect in keeping further particulars from the public.

Born on the frontier; nursed on the boundless prairies; raised on the plains; educated in the saddle, that is the history of Frank Kirsch, the owner and manager and Director General of The Big Show that bears his name. He is as proud of his ancestors as if they were kings and potentates, and well he may be, as his family moved from Kentucky long ere the principal figure of The King of the Cowpunchers appeared on the scene of life and here they have lived and here they live today, owning and farming a vast area of land in Southern Kansas. As Mr. Kirsch advanced in years his mind pictured out a wild western play. He wrote the piece and plays the leading character. This is in brief the history of the King of the Cowpunchers, and their popular owner. Note the date, Tuesday, May 31.
