disappeared and have never returned. "My old attacks of sick stomach were a little slower to yield, but by continuing the food, that trouble has disappeared entirely. I am today perfectly well, can eat anything and everything I wish, without paying the penalty that I used to. We would not keep house without Grape-Nuts.

"My husband was so delighted with the benefits I received that he has been recommending Grape-Nuts to his customers and has built up a very large trade on the food.
