J. W. Crabtree, formerly president of Feru Normal, is a candidate for the republican nomination for Superintendent of Public Instruction. Prof. Crabtree is one of the most prominent educators in the state and if nominated and elected as we believe he will be, will prove one of the best superintendents this state has ever known.

In the villaimous attacks made by one Charles O. Whedon on Senator Burkett will likely react on himself, as people are not overwhelmingly fond of a knocker. A few days since Senator Burkett will anker and place for hearing said persons interested may appear and for a knocker. A few days since of the filing and pendency of this petition conclusively, a thing not needed, as the voters will answered Whedon conclusively at the primary by selecting Burkett over the "knocker" by an overwhelming vote.

A STATEMENT EROM CONGRESSMAN KINKAID

To My Esteemed Constituents: Loup City, Nebr., August 8, 1910— Upon the advice of many voters, I have become a candidate for a relast week's issue of the Standard nomination for Congress by the primary election to be held August 16. gestive article which purports to be During the present Congress I have a citation to the business of the Farmers' Elevator at this place, but Roosevelt, when President, adopted ing about the business of the com- and promoted by President Taft, as pany and could find no one who did evidenced by the excellent measures and so could do nothing but attempt to slander me by distorting the facts vising the tariff, I strived to have of my relation to the company and lumber and barbed wire placed upon throwing a bouquet or two at him-self by handing the farmer members schedules for revision downward gena slice of corn bread and treacle.

Now, Gibson asserts that he was in the Senate and in conference, it facts as I know them to exist, if you ocrats with republicans, prevented a will kindly grant me space in your valuable paper to do so and thanking you in advance I am pleased to subscribe to the following.

oracle with republicans, prevented a greater reduction of the rates. I favor the increase of the authority of the tariff board recently authorized and that in the future revisions be To begin with, the elevator was leased, and that could not be done made of single schedules, when conditions warrant it, rather than that all without the consent of a majority of schedules be revised at the same for the following reason—the finan-cial condition of the company was tion of the proposed amendment to such that it can not now, nor has it the Constitution of the United States been able for some time to do busi- permitting the taxing of large inness as a farmers elevator except in comes; also, the election of Senators

As about three-fifths of the anand we have the credentials to prove | nouncements of my competitor consists of an attack upon my record, I shall give it such brief notice as the ordered condition of finances there nature hereof will permit. The refentirely with Senator Burkett, in fact, we have heard of not a single republican who will vote for any of the other contestants, though of course it is not expected he will get the unanimous support—no man could expect it. But there is no doubt the with an indebtedness of over \$500 and support are several reasons among which are, lack of support by the farmers, many of whom were stockholders; purchasing grain on too small margins; losses in shipment and lack of funds with which to begin buying grain.

The farmers commenced business with an indebtedness of over \$500 and erence incidentally occurring last win-

ernment price of \$10.00 per acre. I have not made a coal land entry. If spects has been complied with, a pat-
