Our local ball team contributed their mite in the shape of a score of 7 to 2 to the Ashton team. Mrs. Dr. Hendrickson returned on Monday from a big yearly reunion of the Garver family at Decatur, Ill., at which over 300 members were present to represent the family tree, and not half of them there. Postmaster Grow last week put in a new lighting plant in the postoffice so people would not stumble over each other after night when calling for their mail, and incidentally to make light of matters in that government bailiwick. Chief of Police C. J. Tracy left for the State Fair this morning to take up his labors there. He took C. F. Benschhausen of the Times along as his chief clerk, thereby helping Charley to turn an honest penny out of the position, besides witnessing the glories of the big show. The Goltmar circus and managerie which gave Loup City a day last Thursday must be acknowledged as one of the best ever visiting us. The whole thing was good from start to finish—clean, wholesome and interesting, with an entire absence of the gambling and faking fraternity. Mrs. Jos. Cording and baby were over from Litchfield last week visiting at the parental home, Pana Cording coming over Friday to attend the ball game and taking them home with him in the evening. Frank Robbins drove over from his home in Greeley county last Sunday accompanied by his two older boys for a short visit with his parents, returning home Tuesday morning. Frank looks the successful grangerman that he is. Wm. Langdon and Henning Clausen were two good fellows from Washington township who were down last Thursday to see the managerie, and while here incidentally took in the circus—on the old excuse, the children wanted to see it. Mrs. H. M. Mathew returned from St. Joseph last Friday bringing with her a full line of beautiful fall millinery for ladies and children. Why not have a new hat to wear to the Fair? Millinery is cheaper in a small town than in the city. Mrs. Will Engle and children left Monday for their future home at York, where Mr. Engle is engaged in the barber business and doing well. The Northwestern follows them with the best of wishes for their happiness and prosperity. They will live at 927 Neb. Ave. Our Swedish friends have secured a regular pastor, Rev. H. Our local base ball club met with another usual defeat at the Jenner park last Friday at the hands of the Rockville boys. Loup City spanked the Rockville boys to a fare-ye-well the first seven innings, when the latter having had enough of that sort of thing pounded the sphere for five runs in the last two innings and went home with the trophy—7 to 6. Mrs. Gus Lorentz and baby returned home from Ravenna last Saturday, accompanied by Mrs. Erazim and Miss Lizzie Frazim, for a few days visit. Mrs. Erazim returned home Monday morning, while Miss Lizzie remained for a longer visit. Mrs. Lorentz is nicely recovering from her recent illness, and without having to undergo the dreaded operation, we are glad to note. Mrs. George Kettle of Loup City arrived in Aurora last Saturday to visit at the home of her brother, T. M. Scott, of northwest of town until about the twentieth-fifth, when she will go to Grand Junction, Colorado, to join her husband who is visiting relatives out there. A letter received here Monday from Secretary Ludden of the State Normal Board, by Miss Melva Danielson, contained the excellent news that the worthy young lady had been elected Musical Supervisor at the Peru State Normal School at a salary of \$100 per month for a term of nine months. The many friends of the young lady here and elsewhere will rejoice with her over the flattering position to which she has been elected. Miss Danielson is at present visiting with friends in Iowa.

My line for fall is now in. Don't forget to look my line over. I can save you money by buying at the right place--of LORENTZ

Mrs. H. P. Ferdinand and children left last Friday for an extended visit at Frost, Minn. Look pleasant. Ferd. Mr. and Mrs. H. A. Watts drive to Ravenna in their auto this morning and may drive from there to Lincoln to attend the State Fair. Mr. and Mrs. Schuman of Ashton township were over to Loup City in their auto Wednesday. Next Monday, Mrs. Schuman and three children take the morning train from Ravenna for Hoboken, N. Y., for a three months visit in the east, leaving to hold the fort at home. We trust she and the babies will have a most pleasant vacation. C. J. Tracy left this morning to take up his duties at the State Fair. He leaves a first-class man in charge of his cement factory here and business will go on as usual. Chet is having a splendid cement business here and is busy all the time, we are glad to note. They say all work and no play makes Jack a dull boy, but such is not the case with Friend Tracy, who does not find time to either play or be dull, as he is constantly engaged up to his eyes in business. School will open Monday, Sept. 12th. It is advisable that all pupils who expect to attend should enroll the first day, so that all classes may be fully organized and the regular work of the school started and continued without interruption. It is especially advisable that all pupils in the beginners' class in the primary department and in the ninth grade, where the work is practically all new to the pupils, should be present for instruction in the first lessons. Without it the pupils in these classes cannot make satisfactory progress, which is most harmful to themselves and acting as a bar to the advancement of the class is unfair to the other members. It is a wise provision of the school board that if pupils are not enrolled in the primary classes during a reasonable time they will not be admitted till the next semester or term. Books will be distributed and lessons and seats assigned on Monday. The regular work will begin promptly at 9 o'clock Tuesday morning.

Notice I am offering for sale a number of 10-acre lots from \$90 to \$125 per acre. Call soon if you are desiring a suburban home in Loup City. A. L. ZIMMERMAN.

SHINGLES

That is all some people seem to know about the quality of shingles. If shingles were made just to spank children with almost any kind would do, but if you want to keep the rain out of your house for years without repair you will have to use a different standard to judge by.

If You Don't you certainly will be punished for your carelessness. About the worst punishment that a big, grown up man can receive is to know that he has been "stung".
