START OF MANAGER CHANGE

Leader of Champion Cubs Received Early Training on Pacific Coast

(BY FRANK CHANCE) Copyright, 1911, by Joseph B. Bowler. I got my start trying to catch at Fresno, Cal. when I was about eight years old.

WANT TO FLY HIGH

Undoubtedly Most Fascinating Form of Air Navigation.

It's an Exciting Sensation to Soar Up the Invisible Aerial Stairway Until Out of Sight of the Earth.

Manager Frank Chance

London.—The most fascinating form of aviation is undoubtedly the high flight.

The world's record in high flying was broken by Brookins over Atlantic City, when he rose to the height of 6,200 feet.

STORIES OF THE DIAMOND

Wagner is tired of playing shortstop and wants to go first. President Johnson of the American League has released Umpire Colliflower.

Has Splendid Record

Larry Lajoie has a record that makes that of other baseball players pale into insignificance by comparison.

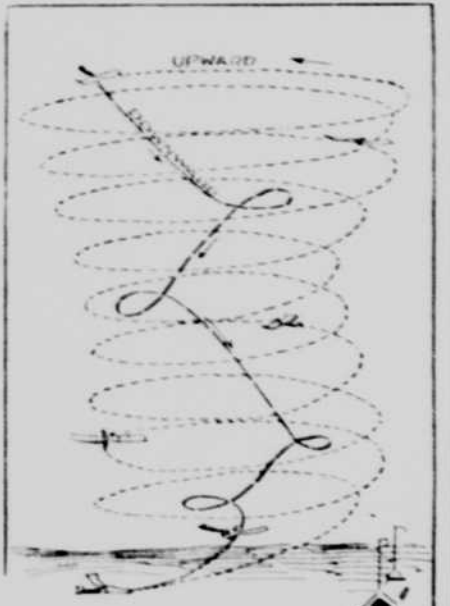

Re-making of Our Bodies

From the fact that every few years we get a perfectly new body through out from the continual dying of old body cells and new cells taking their places...

GOPHERS RECEIVE NEW SUITS

Green New Togs and First Goal Less than on New Rules by Coach Williams—Men in Form.

Coach Williams gathered his Gopher football candidates in the gymnasium the other afternoon for the first of his annual lessons on the new rules.

Wagner is tired of playing shortstop and wants to go first. President Johnson of the American League has released Umpire Colliflower.

The Athletics won the American League pennant this year by a larger margin than any team has ever won it before.

Conick Mack manager of the new American League champions, is to be married to Miss Halloran of Philadelphia on November 7.

The Detroit Tigers intend to tour Cuba this winter, playing ball under independent management, in defiance of the national commission's ruling against barnstorming.

President N. E. O'Neill of the Western league, who is arranging the training trip for the Red Sox to California next spring, has already closed up most of the dates for the big expedition.

Catcher Leslie Numamaker, sold originally to Bloomington by the Chicago Nationals and recently drafted by Cleveland, has been notified that Cleveland sold him to the Boston Americans.

There have been five triple plays made in the National league this season and three in the American league. The Cubs figured in two and the White Sox in two, so the honors are even up in Chicago.

The Philadelphia writers seem to have taken offense because the Athletics have not been mentioned as an especially brainy bunch and the Cubs have been advertised far and wide as the thinking champions.

One of the features of baseball is the fact that some one pitcher usually has it on some particular team, as Fleeter has it on New York, as Matthewson had it on Philadelphia and as Babe Adams had it on Detroit.

While people over here have been standing in the line, France has been suffering from influenza, epidemics and unseasonably cold weather.

It is said that Edison has invented an automatic talking machine to accompany the moving pictures.

That in California some of the people have begun looking for new works, hoping that at the end of that time they will be home.

Canadian chemist has found out how to transform copper into iron. Which reminds us that almost any science for making money works well backwards.

New Jersey wants Edison to turn while from his other inventions and do something to bring about the termination of the monopoly.

ROYAL WAY TO SUCCESS

Get the right thing that is the occupation you like—and then focus the best of your powers on it. Not once, but all the time. That is how others have done. It is the only royal way.
