of the uested all at a London hotel to bring their cards of invitation in order to exclude uninvited guests, have been related.

The lady in question, a very wellknown London hostess, has suffered such annoyance at the hands of uninvited guests that nowadays she never holds any large function without first South taking strict precautions to render the presence of these undesirable persons practically impossible.

"Some time ago I had my eyes red and Eighty-fifth street and and back came the mosquitoes. Then opened to this scandalous practice in a after a little the files came back, a most unpleasant fashion," she said. "I had occasion to give a dance at a across the pinth in line of battle 15 London hotel, to which I invited 230 ing his vacation in and shout feet apart and each one advancing and guests.
