who, after having been rescued on the ne reached the north pole. coast of East Greenfield last year. left their party to search for traces of the lost explorer, Erichsen.

The campaign of the department of justice to end "bucket-shopping" in the large cities may end in failure as the result of a decision rendered by Justice Wright in the district supreme court. "Bucket-shopping" is a lawful occupation according to Justice Wright, who holds that the amendment to the code defining the practice is unconstitutional because it deprives Foreign citizens of the liberty to contract guaranteed them by the Constitution.

crats in that the insurgent vote in the senate is likely to be won over to the president's proposition.

The republican insurgents regard the tariff board idea as of their own creation. They have advocated it as a scientific method of revising the tariff. President Taft has worked hard to secure legislation making the night. tariff board permanent and may send in a second message to the extra session dealing with this subject.

It is pointed out that with a report wool schedules promised by next December the insurgent republicans will not stultify themselves by voting for house bills amending these schedules restaurant of F. C. Williams. without regard to the tariff board. There is little doubt but that consideration of the reciprocity measure will

occupy weeks of the senate's time.

# DIAZ WILL STEP ASIDE.

Deady to Do So if the People Think He Ought To.

Mexico City.-President Diaz is ready to step aside and let another take his place as chief executive of Mexico, if the people think he ought been appointed editor and business to do it. He will accept the dictum manager, respectively, of the United of congress on this issue as the voice of the public. This declaration is the most important message which he sent to the opening of the Twentyfifth congress here. After recommending a number of general reforms, the president made the proposition Commander Robert E. Peary was that hereafter no citizen should be eligible to re-election as president. He urged a reform of the election laws. ance with the act of congress passed in order that all the citizens of the country may hereafter be able to take

TRUST CASES COMING.

Decisions About to Be Handed Down

By Court. Washington .- What cases will be passed upon by the supreme court of the United States when it reconvenes Monday after a recess of two weeks, no one outside of the court assumes to know. That the number of decisions handed down will be

large is generally believed, and many persons think they will include the dissolution suits brought by the government against the Standard Oil and Tobacco corporations.

#### General Tariff Legislation.

Washington .- There will be general tariff legislation at the extra session of the Sixty-second congress which the democratic caucus.
