# Ford Model T Torpedo

Runabout

Two Passengers, Four Cylinders

## \$725.00

With extension top, automatic brass windshield, speedometer, two 5-inch gas lamps, generator, three oil lamps, horn and tools, all for \$725 F. O. B. Detroit. This same car with 3 oil lamps, horn and tools, \$645, f. o. b. Detroit.

The Ford Model T cars will not be exhibited at any of the New York Shows—but there will be a "continuous performance" at our Show rooms, South 9th street, where you may see, examine and test the famous Ford Model T cars.

Ford Model T cars are standard in all that the word implies. Eight years of service over all kinds of roads, under all weather conditions, and so successful, so satisfactory to users, that there are today over 60,000 Ford cars in use the world over, and of this number more than 35,000 are Ford Model T cars alone.

How much better to invest in a Ford Model T car that you know has been successfully tried and tested. Now, you don't want to pay for experimenting; you want to buy a car that has proven itself. Buy a Ford Model T and you will not be disappointed.

Ford Model T will save you money on tires, one set running from 5,000 to 8,000 miles. Ford Model T cars save you money save you money in gasoline, because the Ford Model T goes from 20 to 25 miles on one gallon of gasoline.

Ford Model T cars have all the speed you want. No trouble to cover 4 to 40 miles an hour.

Ford Model T cars have been tested on good roads and bad roads, city streets, country mud, sand, snow and slush, but you never heard of one failing to meet expectations.

Ford Model T cars are quickly understood because of their extreme simplicity in design and the thorough method of construction. They are built to run without bother and they do it.

Ford Model T cars have the left drive. See the convenience of this. You are always on the right side of the street when you stop. Your passengers are not obliged to walk around the car to reach the sidewalk, and when entering they step right from the curb into machine. When passing another car you can see clearly and liability of accident is avoided.

The Ford Model T is an ideal car for city use because of its easy and positive control. When the streets are congested you can send the Ford through slowly without stopping; you can turn and wind and almost twist, with positive confidence that the car will always respond without taking your hands from the wheel. Investigate this feature and you will find that no other car can give you the same simplicity, safety and ease of control.

Ford Model T, the car without extras—we press on this and we press on the price. There is nothing uncertain; when you get a Ford you get a completely equipped car and you get a perfectly built car. The price you pay us is made possible only value at the lowest possible price. The price you pay us is made possible only by the magnitude of our manufacturing facilities and the magnitude of our output. 20,000 Ford Model T cars were made in 1910 and 30,000 more will be made in 1911.

Ford Service to Ford Owners offers the most complete service organization in America. Every Ford dealer, and there are 3,000 of them in this country, carries a full supply of Ford parts. Every branch house is a central supply depot for surrounding territory. At Long Island City, New York and Kansas City, Mo., are immense warehouses, making it convenient for the Ford dealers and Ford owners to obtain parts without delay.

Compare the Ford Model T car with any other car, regardless of size or price, compare it for its general usefulness. Compare it in the economy of its Maintenance. Compare it in the assurance of protection after the purchase has been made. Compare the companies behind the cars. Compare the records of the cars, and we know you will buy a FORD MODEL T.

#### Candidates' Cards

**FOR COUNTY SUPERINTENDENT**  
I hereby announce myself a candidate for Superintendent of Schools of Sherman county, subject to the will of the democratic and populist voters at the coming primary election.  
R. D. HENDRICKSON.

**MARY A. K. HENDRICKSON.**  
I hereby announce myself a candidate for the office of County Superintendent of Schools of Sherman county, subject to the will of the democratic and populist voters at the August primary election. Your support will be appreciated.

**FOR COUNTY TREASURER**  
I hereby announce myself a candidate for the office of Treasurer of Sherman county, subject to the will of the democratic and populist voters at the coming August primary election.  
FRANK LOEBBECK.

**FOR COUNTY CLERK**  
I hereby announce myself a candidate for the office of County Clerk of Sherman county, subject to the will of the democratic and populist voters at the coming August primary election.  
E. A. SMITH.

**FOR COUNTY CLERK**  
To the Democratic and People's Independent voters of Sherman county: I hereby make known that I am before you for re-nomination for the office of County Clerk and will esteem your votes and efforts in my behalf at the primary, August 15th, 1911.  
W. C. DIETRICH.

As we editorially prophesied a few weeks since, Mr. F. M. Henry filed yesterday for the republican nomination for County Treasurer. His announcement, with editorial comment most favorable, will appear next week.

Next week will appear the announcements of Uncle Lou Williams and Harry G. Miner, both good men and both well and favorably known as candidates for sheriff before the republican primaries. Lack of space for editorial comment causes us to hold over both comment and announcements till next issue.

In the political announcements this week will be found that of W. C. Dietrich asking a re-nomination to the office of county clerk at the will of his democrat and populist friends. Thus far no opposition to him has been developed, and no one has been spotted on either side to try conclusions with him, which certainly is commendatory of his record and his chances of landing the prize package.

We have a number of friends who are readers of the Northwestern at a distance who are a little behind on their subscription. We dislike sending them statements to that effect and we trust this item will call their attention to the matter and they remit at an early day.

#### NOTICE TO CREDITORS

State of Nebraska,  
Sherman County, ss. State of Nebraska  
In County Court within and for Sherman county, Neb., June 20th, 1911.

## Grechen Combined DISC CORN PLANTER

The Grechen Disc Planter can be operated both as a hill and drill drop planter, doing perfect work as either. Farmers who are using it claim that it is one-third lighter draft than any runner planter.

## Strengthens feeble Women

But very few women possess constipations that will withstand the wear and tear of daily routine—

Be it in the home, the office, the schoolroom, the store, or in the factory—there is an excessive strain on the delicate functional organs—these become irregular in their action, the nerves give way under the strain, the blood becomes impoverished and the result is a complete collapse.

### Nyal's Vegetable Prescription

If taken in time, will guard against this—Its tonic properties will fortify the system, supply a nourishing blood flow, act as a sedative and tonic to the nerves, and bring about regularity in body functions.

Nyal's Vegetable Prescription is the foundation for the building of perfect health,—one that will stand the strain imposed upon it

Remember that this is not a "patent" medicine, that we are recommending—it is a prescription medicine, composed of ingredients of well known virtues and we can tell you what they are

We will stand back of Nyal's Vegetable Prescription—results have proved that it does as represented.
