Never a man run for office, but that
 some one registered opposition, but
 such opposition should be fair. The
 story to the effect that should F. M.
 Henry be elected treasurer, the office
 would be turned over to his son,
 W. E. Henry, while Mr. Henry him-
 self would continue as manager of
 the Ravenna creamery at this point
 is false in every particular. On the
 contrary whether Mr. Henry be elect-
 ed or not, he will be obliged to give
 up his management of the creamery,
 owing to the serious nature of his re-
 cent accident, which precludes much
 of hard labor at the works incident
 to that position. As to W. E. Henry
 taking the deputyship or in any way
 being connected with the office of
 county treasurer, the statement is
 as absolutely without foundation
 in fact, and such an arrangement is
 only the product of the fervent im-
 agination of the opposition to F. M.
 Henry's election. In case of the elect-
 ion of F. M. Henry, and everything points
 to his sure election, he will have
 charge of the office himself and be the
 treasurer de facto, his son being in-
 nowise connected therewith in any
 capacity. We give this statement
 upon authority of both gentlemen.
 We trust this statement of facts will
 silence another of the untruthful
 stories started and circulated by the
 opposition. Vote for F. M. Henry,
 who is in every way qualified to fill
 the most important office of county
 treasurer, and who will attend to the
 business of the office personally.

What's puzzling some of our good
 La Follette republicans hereabouts is
 just the manner Mr. Bryan expects it
 will help the La Follette cause for
 the progressive republicans to vote
 the democratic state ticket this fall.
 That's it: Mr. Bryan does not care,
 nor does he for one moment think it
 will help the La Follette movement
 forward. What he wants is for pro-
 gressive republicans to help pull the
 democratic chestnuts out of the fire,
 and is using the La Follette poker to
 do it. But he will not be able to fool
 the progressive republicans in this
 neck-of-the-woods.

Democrats feel the need of help
 this fall. They are calling on the re-
 publicans to vote with them for the
 sake of—what? Certainly not to help
 the republican party. Mr. Bryan has
 a selfish interest to serve. He wants
 to go as a delegate to the democratic
 national convention.

Of course Lou Rein for district
 clerk, W. C. Dieterichs for county
 clerk and E. A. Smith for judge are
 as good as elected already, although
 election will not be held till next
 Tuesday. Good reasons—no opposition
 and have made good officials.

Be up to date. Vote for a woman
 for superintendent of schools. Many
 other counties have done so, and the
 change has been for the best.
 Vote for Mrs. Hendrickson, she is
 thoroughly qualified.

Just think. Dr. Main is the Social-
 ist candidate for coroner—as well as
 the candidate of republicans, democ-
 crats and populists. He got the only
 socialist vote recorded for that office.

Uncle Lou Williams will have a
 larger majority next Tuesday for
 Sheriff than ever recorded for him or
 any other candidate for any office in
 Sherman county.

It looks very much as if the insur-
 rection in China would result in out-
 stinging the imperial dynasty and make
 that God-forsaken country a republic.

No matter what is the choice of
 republicans for the primary election
 next spring they are all supporting
 the entire republican ticket this fall.

You'll make no mistake in voting
 the county republican ticket straight-
 —but you're likely to make a mistake
 if you don't.

Of course Mr. Bryan would like to
 have republican votes to aid his cause
 but why should any republican vote
 him?

Few republicans care to be made
 use of by Mr. Bryan by voting the
 democratic ticket this fall.

REPUBLICAN
STATE TICKET 1911
FOR JUDGES OF THE SUPREME COURT

VOTE WITH THE PARTY OF PRINCIPLE AND PROGRESS
FOR RAILWAY COMMISSIONER
CANDIDATES CHOSEN BY DIRECT PRIMARY

A TICKET ENTITLED TO YOUR SUPPORT

JUDGE CHARLES B. LETTON,
 Supreme Judge and Republican Candidate for Re-Election.
 Judge Letton is worthy of your vote. His service in the Supreme Court since 1905 has given him an experience that makes him a splendid judge. Previous to that time he was Supreme Court Commissioner. He is a hard worker and writes clearly and forcibly and is a thorough student of legal and constitutional history. His talks before the State Bar Association of which he has been president, are master pieces, and are listened to with close attention by the members of that body. Judge Letton has lived in Nebraska forty-two years. His parents were homesteaders in Jefferson County and the future Judge, in common with other pioneer boys and men, endured all the hardships and privations of pioneer life; worked his way through school, through the State University, and after graduation from the Law School was admitted to the Bar. He has held important offices of trust and has been faithful to every promise. In 1886 he was elected the first county attorney of Jefferson County. Later he served as Judge in the First Judicial District, going from there to a position as Supreme Court Commissioner. In 1905 he was elected by a majority of over 20,000, as Judge of the Supreme Court. He has made a splendid record, one that entitles him to the support of every loyal Nebraska citizen.

JUDGE WILLIAM B. ROSE,
 Member of Nebraska Supreme Court and Republican Candidate for Re-Election.
 Endorse the splendid service of Judge Rose in the Supreme Court by your vote. He has merited it. Judge Rose was born and secured his early education in Pennsylvania, being admitted to practice law at Mercer, Pa. He moved to Lincoln, Nebraska, in 1888. For ten years he edited the opinions of the Supreme Court for the official reports and during that time became exceptionally familiar with the laws of Nebraska. Later he was Assistant Attorney General eight years and in that capacity took an active part in the suits which resulted in the collection of the taxes levied against railroad property under the new revenue law. He was also an attorney in the suits begun by the state to enforce the laws passed in 1907 to regulate express and railroad rates. After the constitutional amendment enlarging the Supreme Court to seven members was adopted, in 1908, Governor Sheldon selected him as one of the additional Judges.
 Every voter has a direct interest in

Under the new law, neither candidates nor committees can hire conveniences on election day to carry the voters to the polls. Voters can and should take their neighbors with them when they go to vote.
 What an uproar there would be from Mr. Bryan if the progressive democrats were urged to support the republican ticket this fall.

engaged in the law business in Lincoln. He deserves your vote, for in the office of railway commissioner he will know the needs of the farmer and banker and with his legal experience he will give the state splendid service.
JUDGE FRANCIS G. HAMER,
 Republican Candidate for Election to the Supreme Court.
 Judge Francis G. Hamer of Kearney, was one of the Judges of the District Court from December 12, 1883, until January 6, 1892. He was first appointed by Governor Dawes and was thereafter twice elected, each time by an increased majority.
 Judge Hamer has a splendid record as a trial lawyer and District Judge. He has always been an earnest student of the law for the pleasure it gave him. He was born in Ohio and attended school in that state, in Indiana, and in Illinois. He was admitted to the bar at Indianapolis with the law class of which he was a member, in February 1884. He came to Nebraska forty-one years ago last December, and has devoted his entire time to a study of the law and its practice. He first settled at Lincoln, where he resided two and one-half years, at the end of which time he moved to Kearney, being the first lawyer to locate there. Those who know Judge Hamer intimately feel that he possesses every qualification for supreme judge. He is fair-minded, impartial, and wants a square deal for all concerned. He has always taken a deep interest in his profession and has practiced in the highest courts in the United States. He is entitled to your support.

THOMAS L. HALL
 Republican Candidate for Railway Commissioner.
 Thomas L. Hall is a native Nebraskan and a man worthy of the support of every true citizen of the state. He was born on a Richardson county farm in 1866. His parents were homesteaders and their son was accustomed to the privations and hardships of pioneer days. Mr. Hall's father died when he was fifteen years old, and from that time until he entered the University of Nebraska the management of the home farm devolved upon him. Following his graduation he took up the banking business, holding various positions of honor and trust. Leaving the presidency of the Verdon State bank, he studied law, graduating from the law school of the State University in 1896. He practiced at Falls City, till he bought the Hall homestead in Richardson county and engaged in farming and stock-raising. In this he was a success. Later he sold the farm and re-

Judge Hostetler is the candidate of all the parties for district judge—republican, democrat, populist, socialist, etc., and if there had been an hundred and one more parties, the likeable gentleman, with his capacity for taking every nomination in sight would have captured them all.
 There were no prohibition votes recorded in this county at the primary.

VICTOR G. LYFORD
 Regent of State University and Republican Candidate for Re-Election.
 Victor G. Lyford is a merchant at Falls City, who has served on the Board of Regents for six years, during which time many of the most important events in the history of the university have been shaped. Those who know of the good work he has given the state are anxious to see him re-elected. He was born August 16, 1859, at Neponset, Ill., and passed most of his youth working on a farm. He graduated at the age of twenty from Hedding College, Abingdon, Ill., taking the degree of Ph. B. In turn he attended the Chicago College of Law and the Northwestern University of Evanston, Ill. In the spring of 1883 he settled at Lincoln, Nebraska, and engaged in the law business. He has engaged in mercantile business since 1884. Mr. Lyford has filled a number of positions of public honor and trust in the communities in which he has lived. His splendid work in building up the educational interests of the state should entitle him to your vote.

FRANK L. HALLER
 Regent of State University and Republican Candidate for Re-Election.
 Mr. Haller is just completing a two-year term as regent. So well has he shown himself equipped for the position that it is the unanimous desire of his colleagues and fellow citizens that he continue his services to the state. Mr. Haller is a native of the state of Iowa. He graduated from the State University of Iowa in 1883. He came to Omaha in 1884 and entered the employ of a wholesale agricultural implement house. Since that time he has risen from shipping clerk to the presidency of the Linsinger Implement company. For sixteen years he has been a member of the Public Library board of Omaha, and has kept in touch with educational affairs. He is also president of the Nebraska Public Library Commission, filling the position since 1906. Mr. Haller is of German descent and speaks the language. In addition to his university and business training, he has broadened his education by extensive travel at home and abroad. The splendid service he has given the state of Nebraska entitles him to your best support.

The highest privilege of citizenship is the right to vote. The citizen who fails to vote forfeits for the time being his right to criticize the result of the election. No matter what his political faith may be, every citizen should cast his ballot for the candidates of his choice. That is what republican government means. Do your duty on election day and register your vote.
