HOLDS NATION RESPONSIBLE

Participation of Americans Is . Not Justified, but Prisoners Must Be Deated Humanely.

Washington.-Warning was issued Sunday by the United States to the Mexican government, as well as to General Pascual Orozco, chief of the insurrectos, "thhat it expects and must demand that American life and property within the republic of Mexico be justly and adequately protected, and that this government must hold Mexico and the Mexican people responsible for all wanton or illegal acts sacrificing or endangering American life or endangering American property or interest.

The attitude of the United States as expressed to both the federal and rebel authorities is that any maltreatment of American citizens will be deeply resented by the American government and must be fully answered for by the Mexican people.

Acting Secretary Huntington Wilson of the state department, who issued special instructions to And assador Henry Lane Wilson at Mexico City and Marion Letcher, American consul at Chihuahua, authorized the statement that intervention was not contemplated by the United States.
